The story of the Minions goes back to the dawn of time. They wandered the Earth for millions of years, looking to serve the most perfect, despicable master. Master after master, year after year, the Minions were left disappointed.

Then along came Gru.

Gru was the best master. He wanted to be the world's number one supervillain, and he planned to steal the moon.

Then Gru met Margo, Edith, and Alice. Forget villainy—now all Gru wanted to be was the world's number one dad.

It wasn't long until Gru met a super spy named Lucy. They fell in love and became determined to do their best as parents to the girls.
