It was the day before Christmas. The PAW Patrol pups were excited to decorate the big pine tree outside the Lookout.

“These old tennis balls will make great decorations,” Chase said.

He pushed a lever on a small catapult that Rocky had made and launched a green ball up onto a branch.

“I love Christmas,” Zuma said with a sigh. “I can’t wait for Santa to get here.”

"I've got the popcorn!" Ryder announced as he walked out to the tree.

Rubble ran alongside him. "Hooray! A Christmas Eve snack!"

"This isn't for eating," Ryder said. "It's for hanging on the tree."

"Okay," Rubble replied. "My eyes will like popcorn on the tree, but my tummy would rather eat it."

Everyone worked together. Ryder strung his popcorn along the branches, and Rocky hung lights. Marshall parked his fire truck next to the tree and raised the ladder so he could put ornaments on the highest branches.

When the pups were done, the tree was beautiful, but they agreed that something was missing.

"A star!" Skye exclaimed. "We need to put the star on top. I'll do it!" Wings popped out of her Pup Pack as she grabbed a star from the ornament box.

Skylar
Skye zoomed to the top of the tree and placed
the star there. All the pups cheered.
“Now we know Santa will find us!” Skye declared.

Later that night, Ryder watched his Santa Tracker on the Lookout's viewing screen. It showed a big blizzard on the horizon—and Santa was flying right into it!

“What’s Santa going to do?” Zuma asked.
