

YOU ARE THE LIGHT

Little Pumpkin

A First Halloween Story

A whimsical illustration of a night scene. In the foreground, two large, orange pumpkins with friendly faces (big eyes, black triangular noses, and smiling mouths) are the central focus. One is slightly larger than the other. To the right, a smaller pumpkin with a similar face is visible. In the upper left, a black spider with yellow eyes hangs from a white spiderweb. The background is a dark blue night sky with several white stars. A tree trunk is visible on the left, and some autumn leaves in shades of red and orange are scattered around the pumpkins.

You are the light
that leads the way,
welcoming friends who
are here to play.

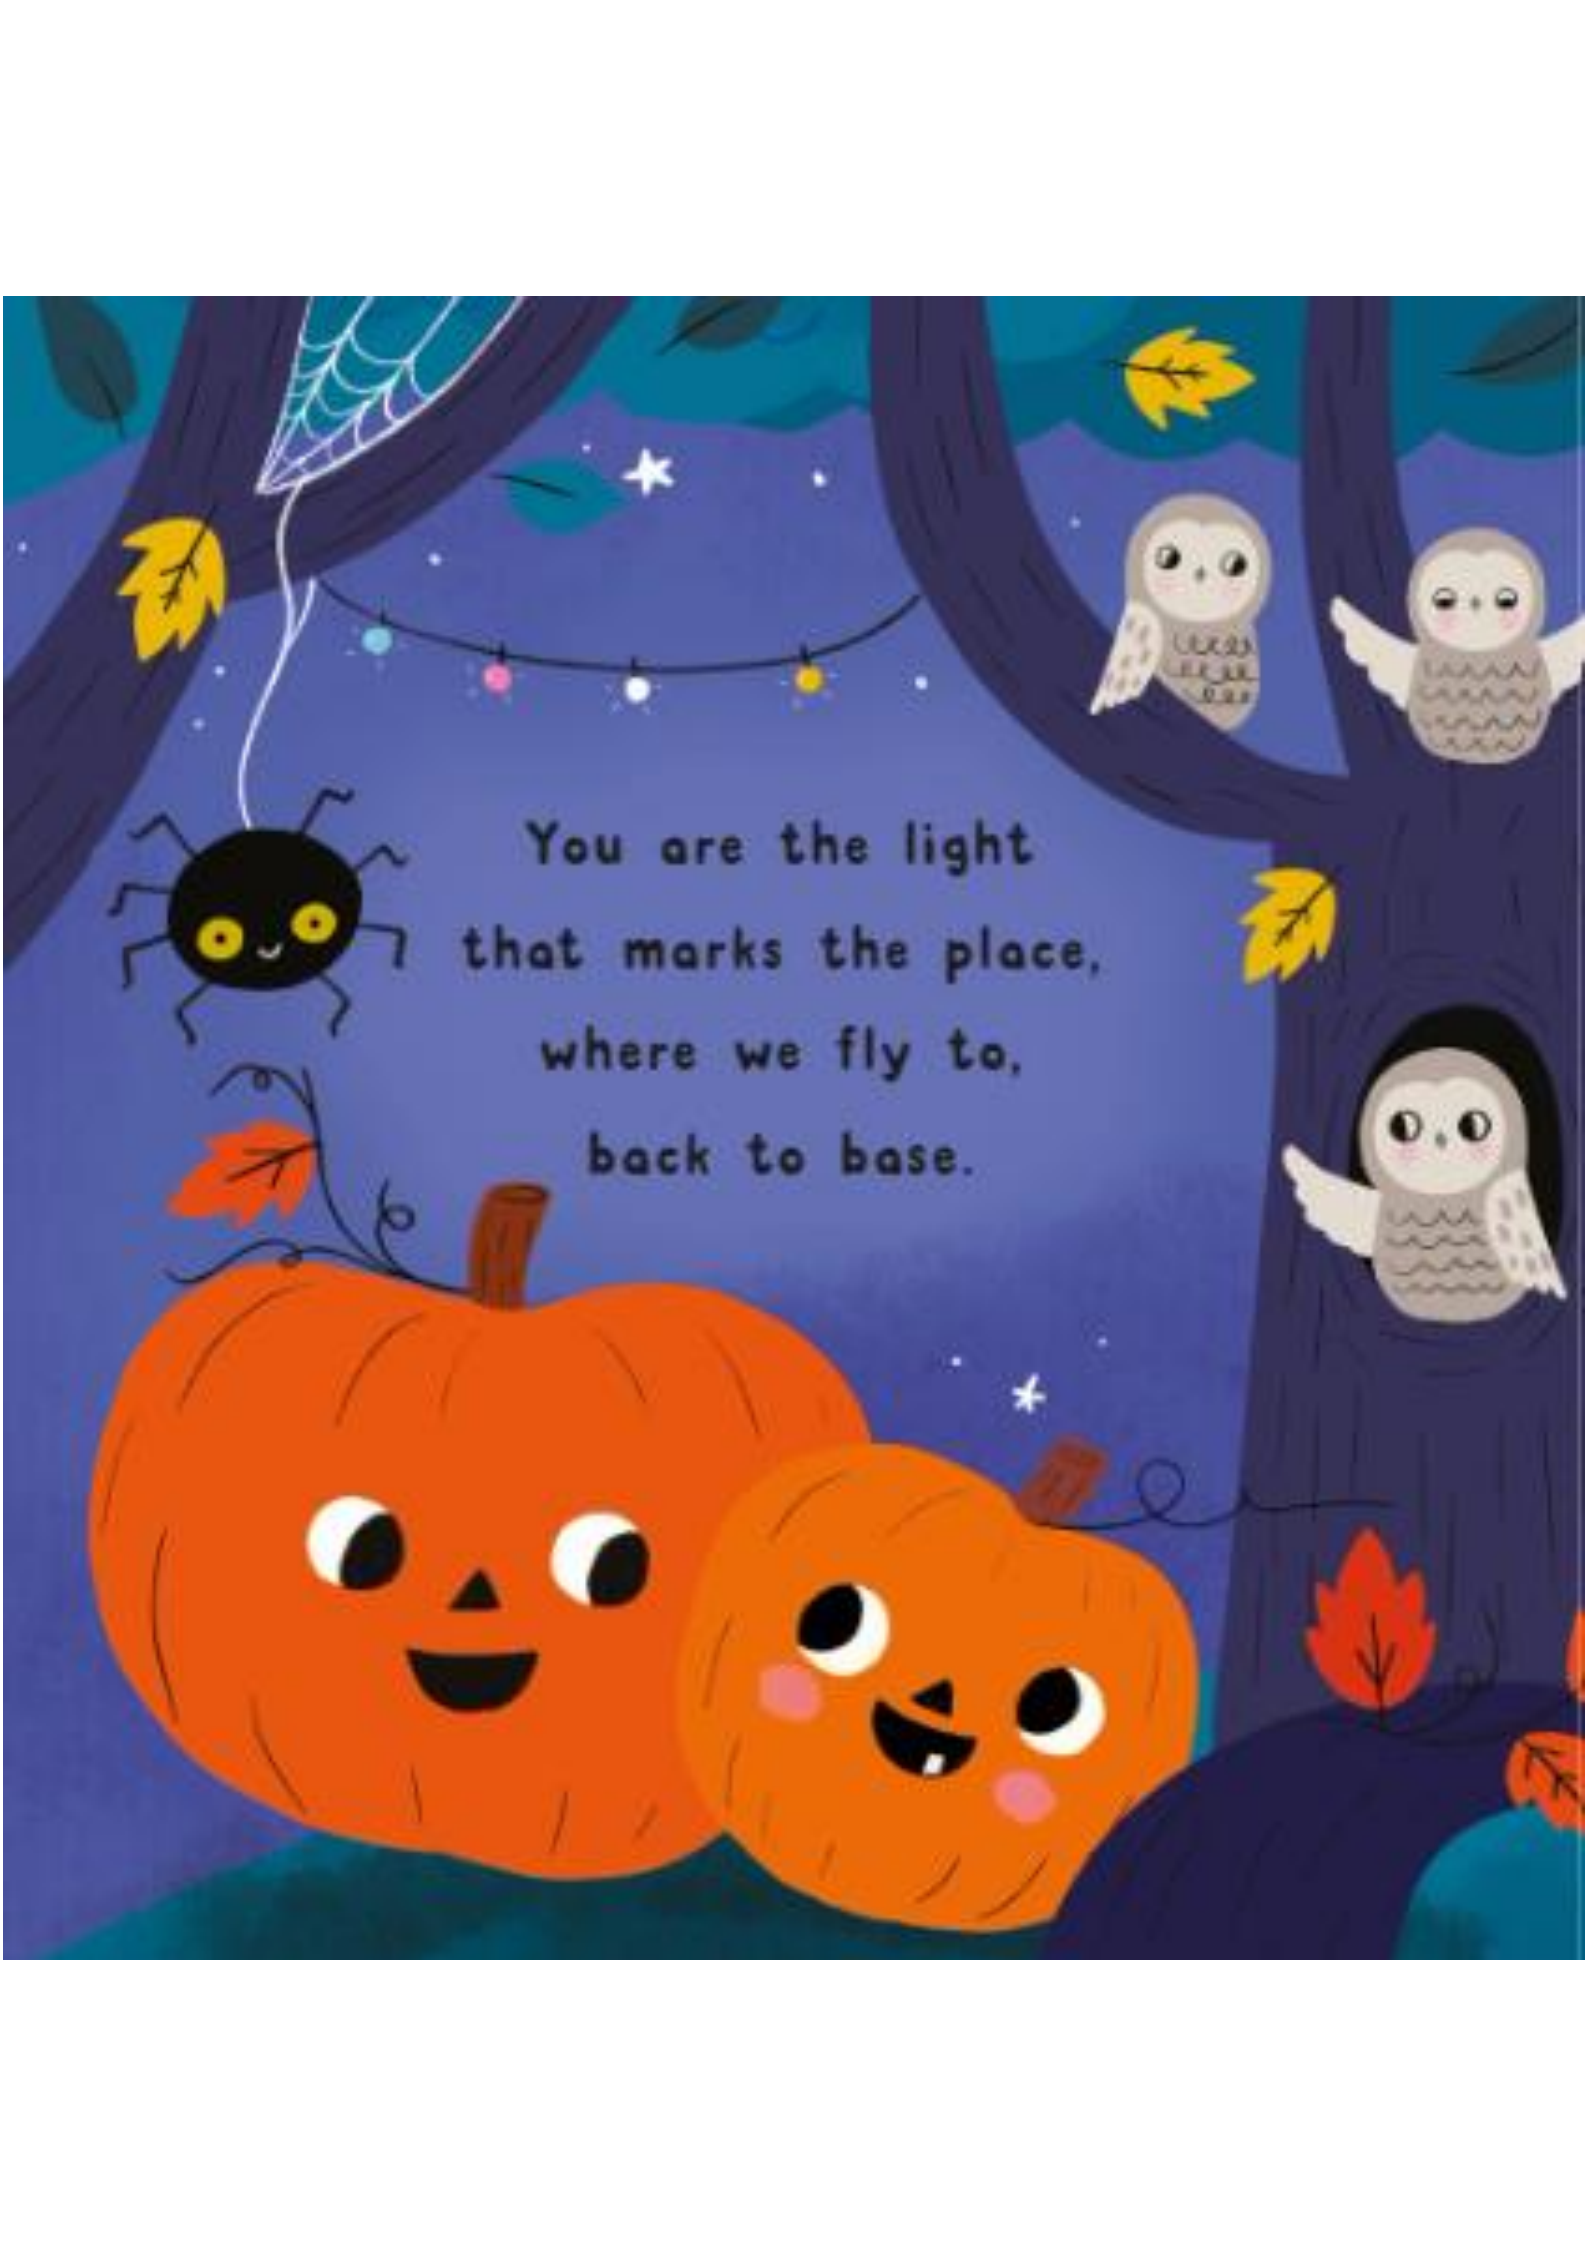

Who will come to
the woods today?
Little Pumpkin,
we love you!

You are the light that sparkles bright,
when all around is darkest night.
Everyone gathers to see the sight.
Little Pumpkin, we love you!

You are the light
that marks the place,
where we fly to,
back to base.

A whimsical Halloween night scene. In the foreground, a black cat with yellow eyes sits on a grassy area with red and yellow mushrooms. A large, full moon is visible on the left. In the background, a ghost peeks from a tree branch, a bat flies in the sky, and a glowing pumpkin hangs from a string of lights. The scene is set against a dark blue night sky with stars and falling leaves.

The tree is full,
we hope there's space!
Little Pumpkin,
we love you!
