# Help your child to read!

This book practises words with more than one consonant next to each other, plus short vowel sounds (like 'tent' or 'strong').

Read these words with your child:

camping

trip

and

fresh

Your child may need help to read these common tricky words:

the

you

of

there

are

to

go

like

all

Before reading

- Look at the cover picture and read the title together. Read the back cover blurb to your child.
- Ask your child: *Would you like to go camping?* or *Which camping trip was your favourite?*
- Talk about the image in the magnifying glass.

During reading

- If your child gets stuck on a word, remind them to sound it out and then blend the sounds to read the word: c-a-m-p-i-ng, camping.
- If they are still stuck, show them how to read the word.
- Enjoy looking at the pictures together. Pause to talk about the information.

After reading

- Talk about the images on page 16. What can your child tell you about them?
- Ask your child: *Where do you think would be the best place to go camping, and why?*
- Talk about what you would need to take with you if you went camping.

A camping trip is fun and  
the fresh air is good for you.

Camping in a tent at a rock fest is good fun, too.

There are lots of tents next to you!

Trekking up and down  
in the hills keeps you  
fit and strong.
