Welcome, Space Travelers

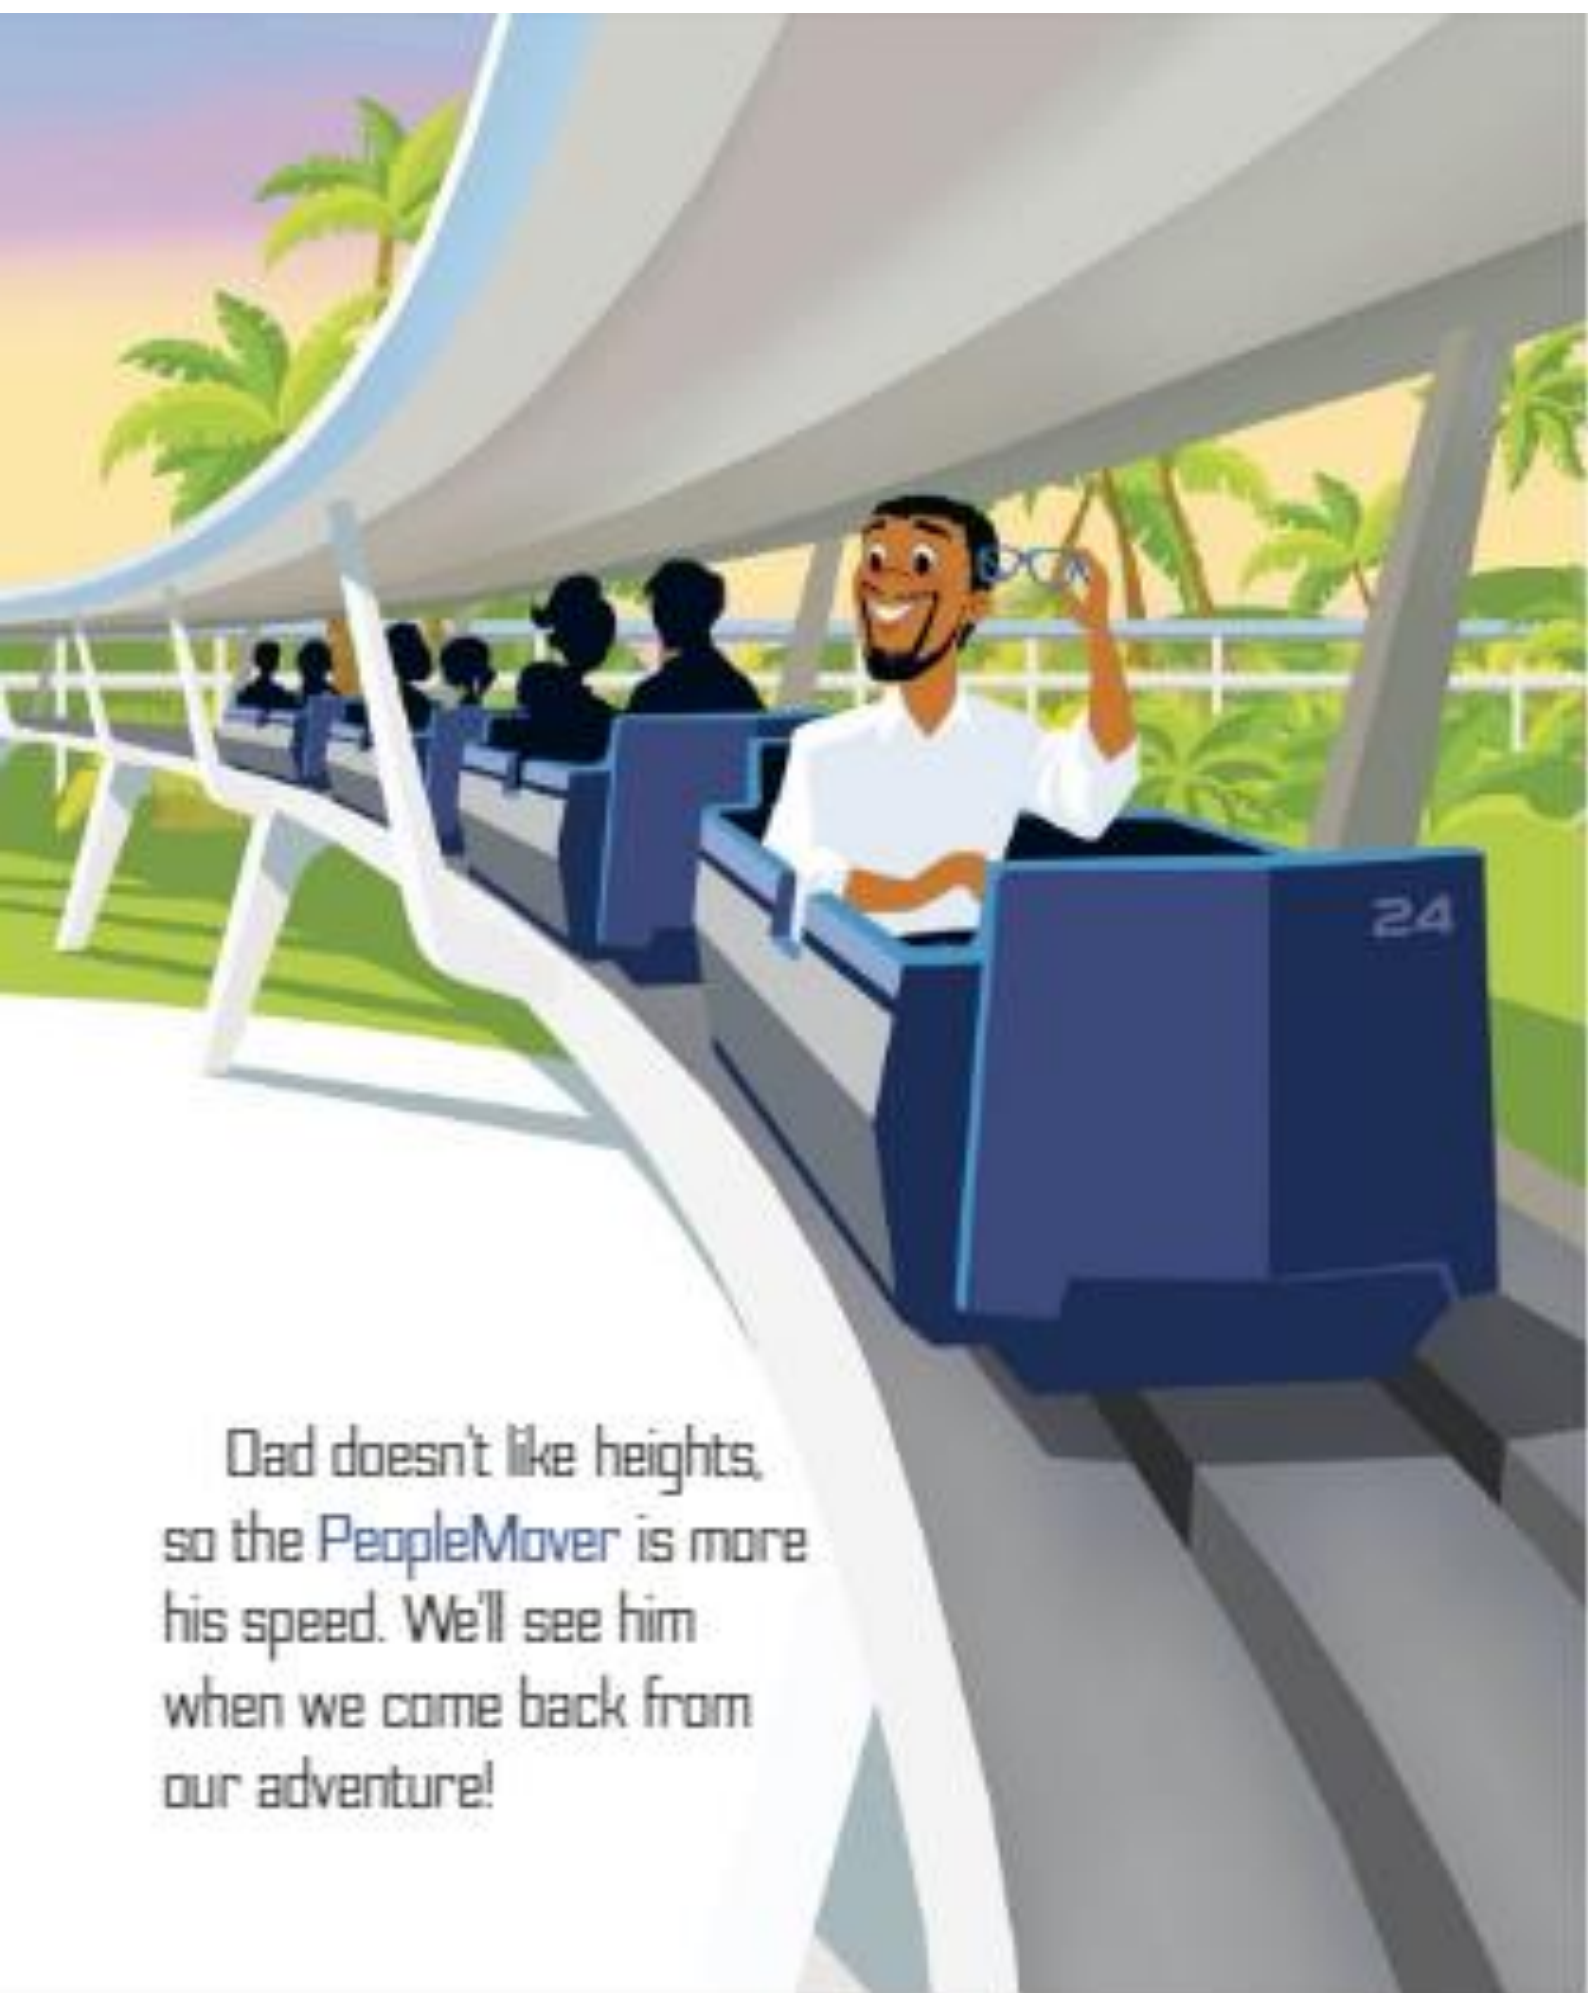

Your Gateway to the Galaxies

Our bags are packed. Our friends are by our side. We're ready for an epic adventure . . . through space!

Dad doesn't like heights, so the PeopleMover is more his speed. We'll see him when we come back from our adventure!

We've studied maps of the different solar systems and completed the training modules.

Finally, the captain welcomes us aboard the ship.

In the spaceship, we do our final checks.
Safety restraints—on! Guidance controls—go!
The countdown begins.
