**t's Halloween in Wonderland!** Fergie is nervous. He loves dressing up and painting pumpkins. But all the frights and spookiness make him hop, skip, and jump in fear.

"Alice," he says, racing into the bakery. "Boy, am I glad to see you!"

The stool swings around. Fergie jumps. **“Ahh!”** he screams. “You’re not Alice!” It’s Hattie in an Alice costume!

Suddenly someone pops up from behind the counter. Fergie jumps again.

**“Ahh!”** he yells.

It's Alice. "Didn't mean to startle you, Fergie," she says.

Fergie sighs. "It's not your fault. **Halloween** just has me jumpy this year . . . and every year."

“The **spooky** parts of the holiday aren’t for everyone,”  
Alice says.

Cookie pops into view, making Fergie jump again. “Just because  
we like a good scare doesn’t mean you have to,” she tells Fergie.

"I just need time to get used to the Halloween spirit again," Fergie says. "I hardly even jumped when you popped out, Cookie!" He looks around nervously. "But you are the last one, right?"

Suddenly, Rosa slides into view. **"Happy Halloween!"** she cries. "Ahh!" Fergie screams.

Rosa invites everyone to Hearts Palace for some heart-skipping silliness. Fergie doesn't want to ruin everyone's fun by saying no.

"This year I'm going to learn to love the spooky stuff," he says. "And I can't think of a better place to do it than at the palace with my best friends."

**"Spooktacular!"** Hattie cheers.
