

## Bah humbug!

**Ebenezer Scrooge** is a selfish man.  
He does **not** know how to share or care about others.

Can you say "bah humbug" like Scrooge?  
Can you count the gold coins on Scrooge's desk?

### Tiny Tim

Scrooge's helper, **Bob Cratchit**, is very poor. He lives in a small house with his wife and children.

His youngest son is **Tiny Tim**. Tiny Tim is very sick.

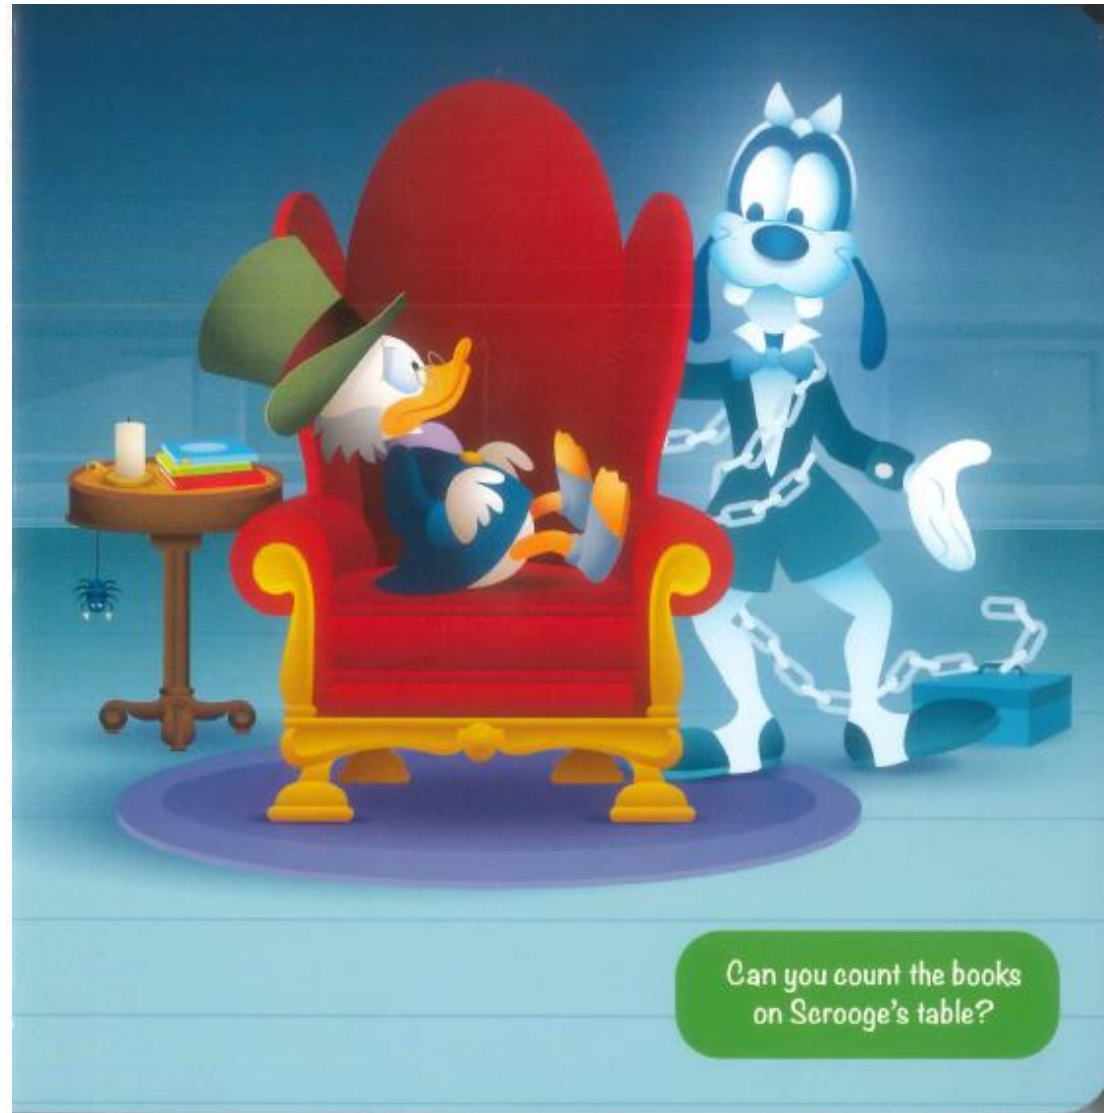

What foods do you see on the table?

### Why do you trouble me?

One night Scrooge's old friend **Jacob Marley** comes to visit. Jacob tells Scrooge that he can still learn how to be caring and kind. Since it's almost **Christmas**, this would be the perfect time!

Can you count the books on Scrooge's table?

## Expect the first tonight!

What does Scrooge think about this? Why, it's all **"bah humbug!"** to him.

Jacob warns Scrooge that he will have three dreams. He will dream about **the past, the present, and the future.**

Do you ever dream? Do you have a dream you remember?
