

# Olaf Welcomes Spring

A Touch-and-Feel Book

Winter is over,  
which means just one thing:

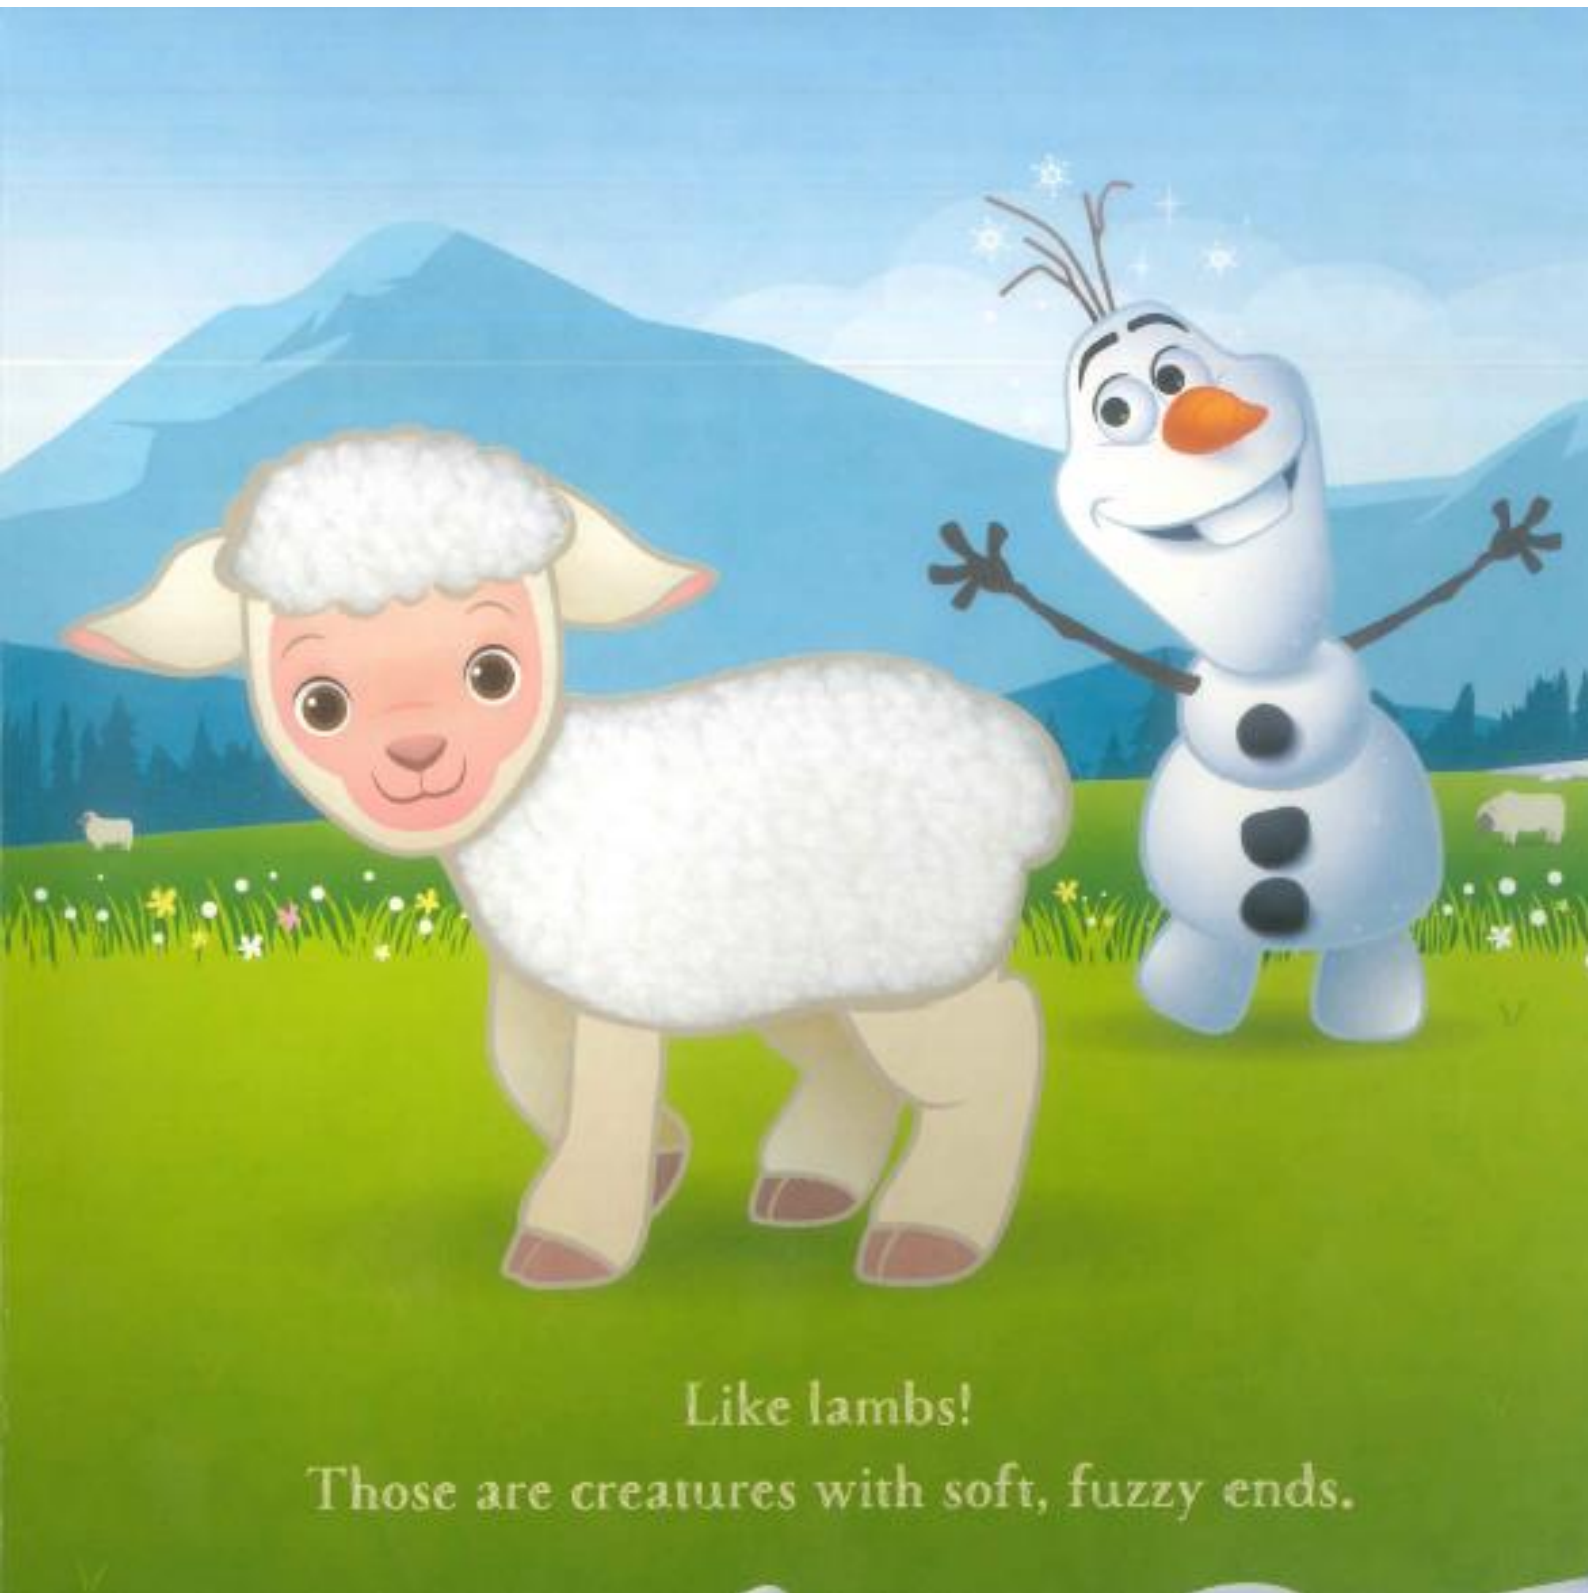

a new season's coming.  
It's summ—I mean, spring!

Did you both know that spring brings brand-new friends?

Like lambs!  
Those are creatures with soft, fuzzy ends.

This pretty plant is sweet-smelling and blue!

You call it a flow—*ah . . . ah . . .*  
*ah . . . ah . . . ah-CHOO!*
