It's-a me, Mario!

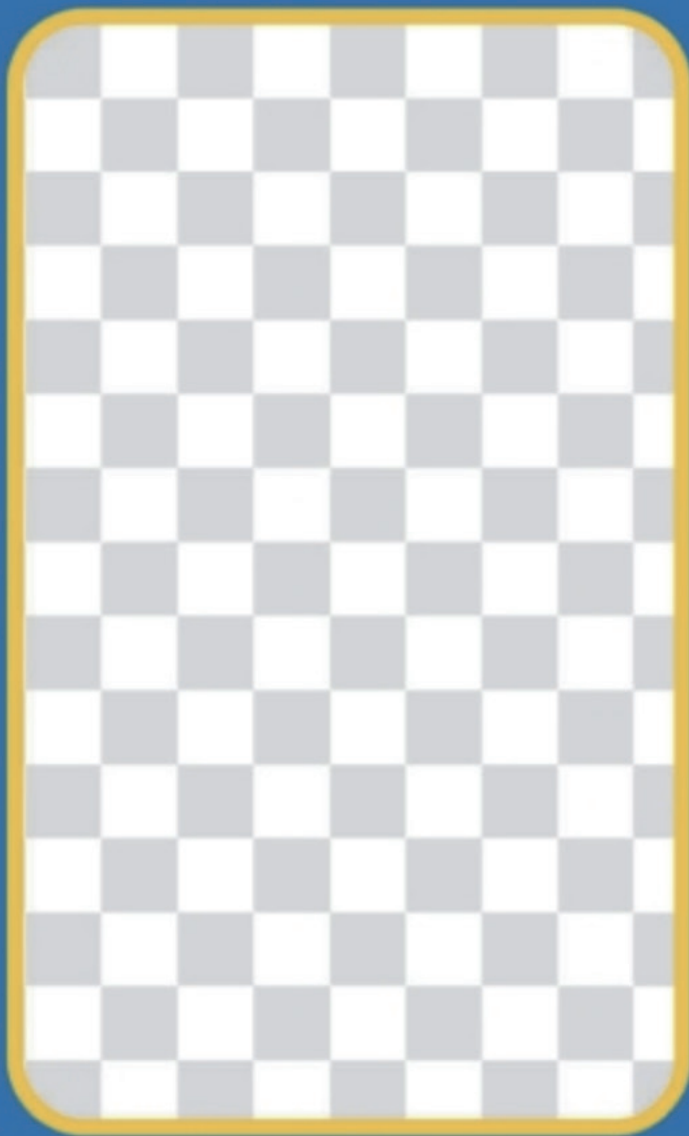

This fearless mustachioed plumber never hesitates to jump into battle to defend the imperiled Mushroom Kingdom.

With his brother, Luigi, courageous Princess Peach, and trusty Toad and Yoshi at his side—not to mention a variety of awesome power-ups—Mario always shows Bowser who's boss!

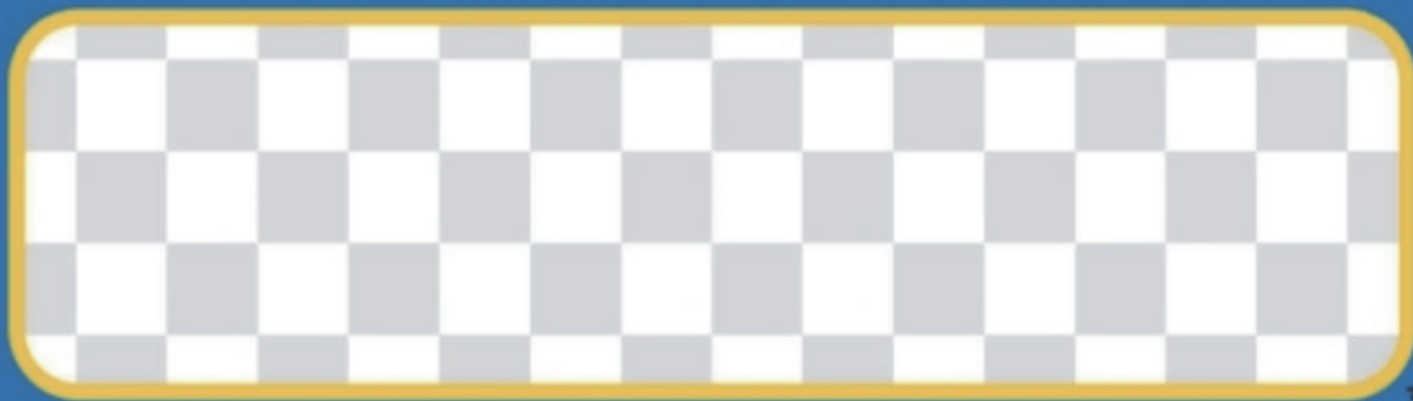

DRAW MARIO!

Use the grid below to learn how to draw Mario. Take it box by box. Don't forget his bushy mustache! Use your stickers to surround Mario with his fearless friends and fiendish foes.

WHAT'S YOUR FAVORITE POWER-UP?

Draw it below, or fill the space with a sticker!

GUESS

How well do you know Mario's friends and foes?

1

Anything this guy swallows gets turned into an egg—and he's always hungry! Luckily, he can use those eggs to knock out enemies.

WHO IS HE?

2

This graceful royal is often kidnapped by Bowser, but she's no damsel in distress. Outfitted in her signature pink, she can more than hold her own in battle!

WHO IS SHE?

3

He's taller than his brother, Mario, but he's actually the younger of the pair. He doesn't share Mario's natural courage, but under his green shirt beats the heart of a hero!

WHO IS HE?

WHO?

Use your stickers to take this quiz and find out!

4

Protecting Princess Peach is hard, but that never keeps this loyal Mushroom Kingdom servant down for long.

WHO IS HE?

5

He is Luigi's rival, and he's more focused on cheating—and accusing his foes of cheating—than he is on winning fair and square.

WHO IS HE?

6

He considers himself Mario's greatest rival, but at the end of the day, he only cares about one thing: cold, hard cash.

WHO IS HE?

BwaHaHaHa!

Behold, the mighty king of the Koopas! This sinister villain has attempted to take over the Mushroom Kingdom. He commands an army of Koopa Troopas, Goombas, Bullet Bills, and other nasty followers.

This is the son of the king of Koopas. He zooms around in his Junior Clown Car and causes trouble alongside the other Koopalings! Find the sticker that fits the space!

Help Mario identify Bowser's minions!

Unscramble the names and place the corresponding stickers in the spaces below.

BEST FRIENDS FOREVER!

Use your stickers to complete these best-pal pairs!

This princess from Sarasaland takes her name after a flower, but don't let that fool you: she's a bit of a tomboy! Her competitive nature makes her one of Princess Peach's favorite athletic companions.

The twosome that started it all! Despite having different favorite colors—and mustache styles—they've always got each other's back.

Can you guess these pairs from the descriptions alone?

She is Toad's cute, spunky friend. They've been racing partners and baseball teammates, and she has helped Mario in his quests, too.

Here comes trouble—on the double! They are Mario's and Luigi's greatest rivals.

ROSALINA'S COSMOS WHEEL

Rosalina travels across the galaxy with her Star Wand and crew of Lumas, protecting the spaceways from danger! To discover the name of the space station she calls home, start at the arrow and, going clockwise around the moon, write every other letter in order on the lines below. Then place your favorite Rosalina sticker in the moon!

MUSHROOM KINGDOM WORD SEARCH

Unscramble the character names and then look across, down, and diagonally to find them in the puzzle.

TOAD BOXES

With a friend, take turns connecting two dots with a straight line. If the line you draw completes a box, put your initials in it and take another turn. Count one point for squares containing your initials. If a box you completed contains a Toad, give yourself two points.

When all the boxes are completed, the player with more points wins!
