POKÉMON
PRIMERS

The Ditto on the desk can change its shape to look like a different Pokémon.

Is that Ditto?

Can you detect which Pokémon is the real Pikachu?

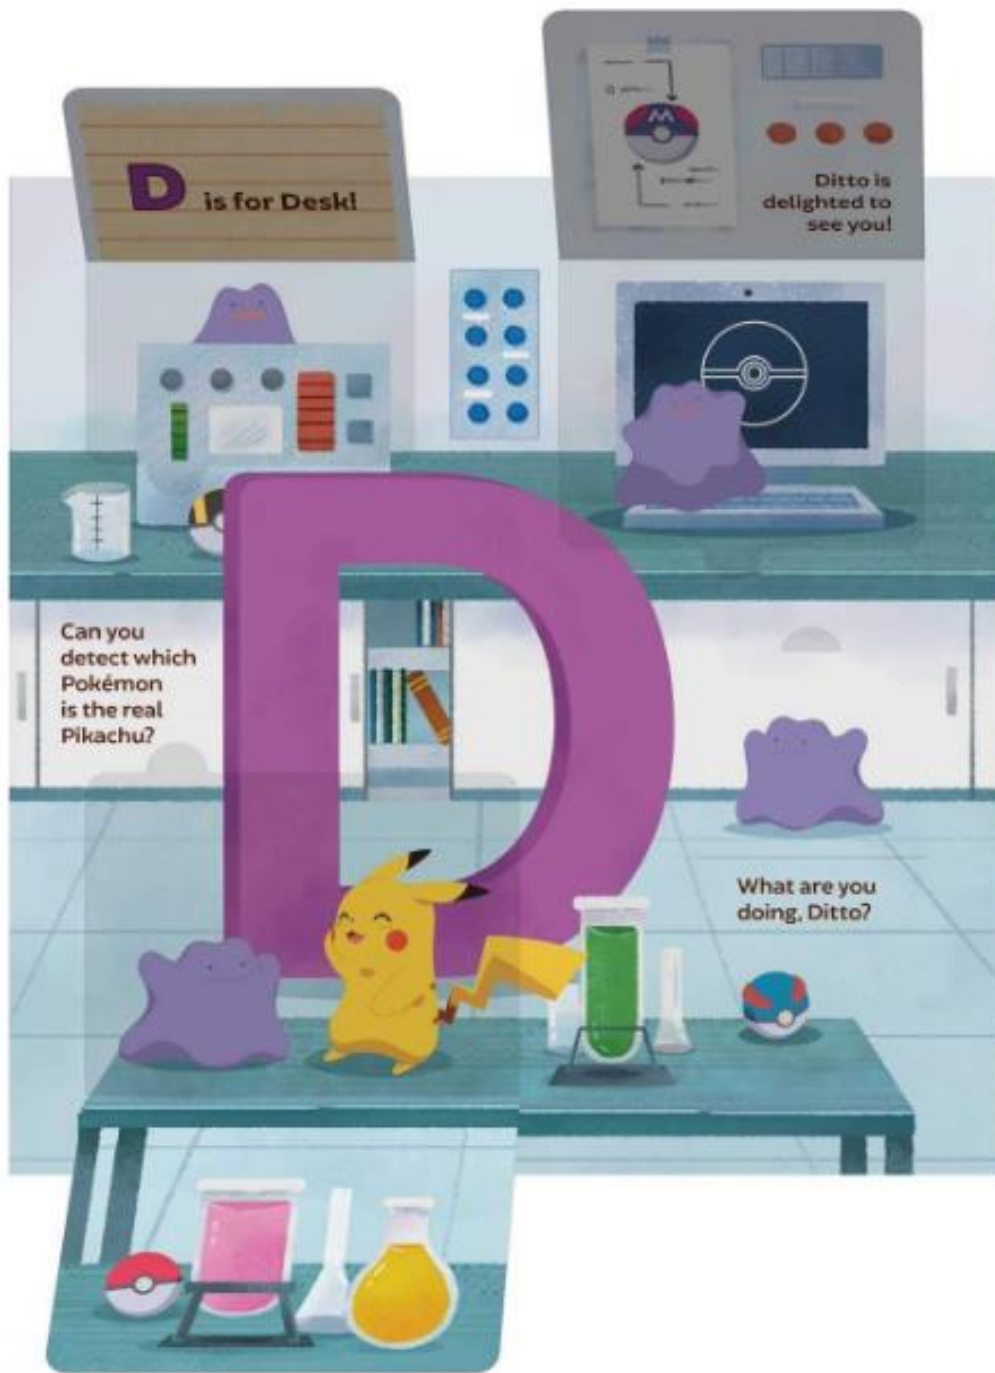

What are you doing, Ditto?

Electric-type Emolga get excited when it rains. They will soar right into a storm to recharge their electric energy.

Emolga's electric energy can be extremely shocking to its enemies.

Four Pokémon are in a Double Battle. They team up to make awesome moves together.

Tiny Treecko (TREE-ko) is never afraid to battle much bigger Pokémon.

Chimchar (CHIM-char) is fired up for the match!

When it uses its very cool vines, it's like Snivy (SNY-vee) has four hands!

Five Squirtle are practicing for a competition. They are aiming to win with their cool Water-type moves.

Look out, Squirtle, or you might get splashed!

Just in time!

Squirtle (Skwir-tul)

Squirtle is getting ready to squirt Water Gun. Will it hit the bullseye?

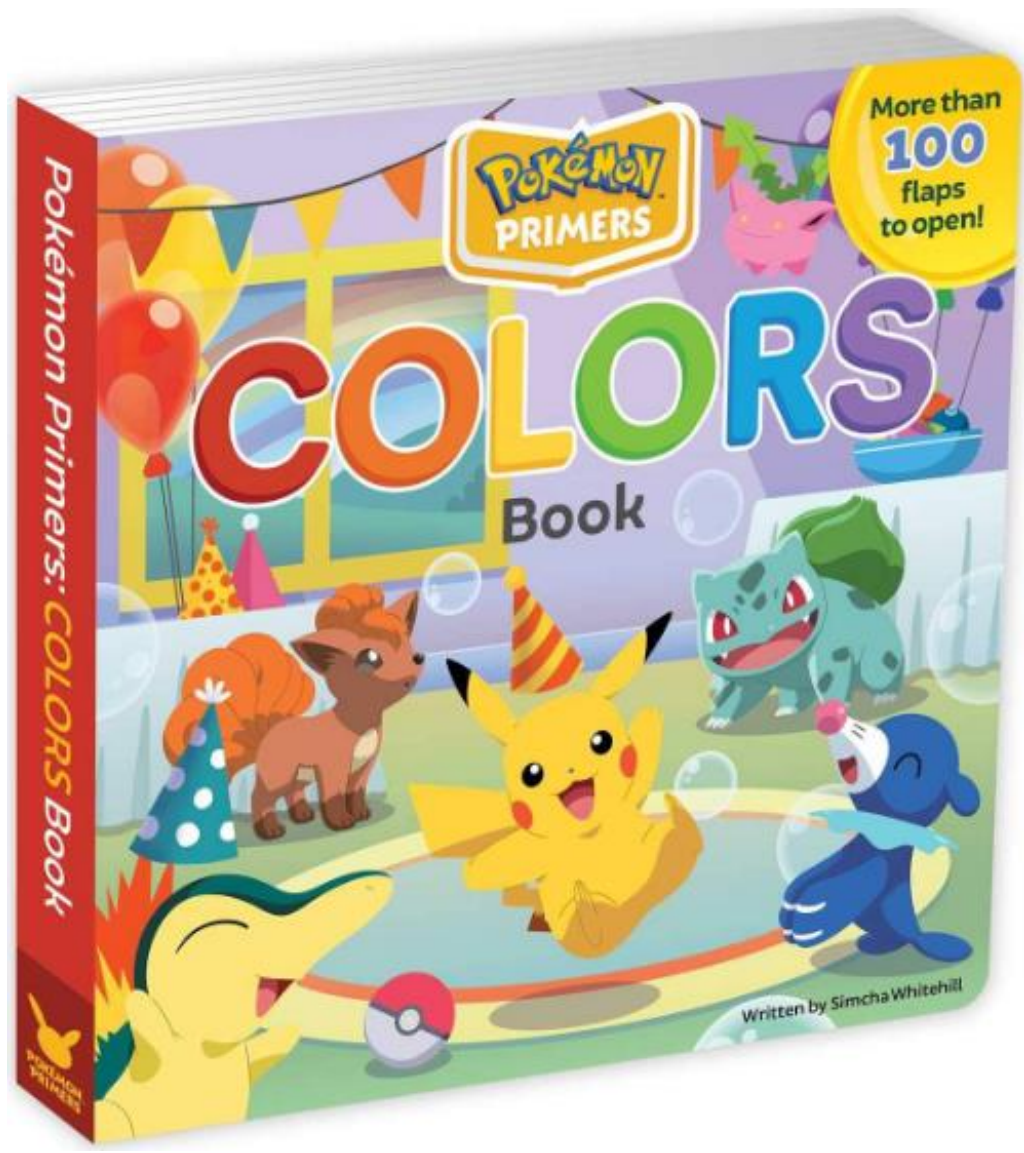

Zzz

This sleepy Squirtle is practicing its ability to nap.

Look up in the sky, and you'll spot yellow Pikachu (PEE-ka-choo) passing by. It's flying high in the hot air balloon festival!

Pikachu sees its friends down below.

Who is hiding behind the pitcher?

Sniff sniff! Cutiefly (KYOO-tee-fly) smells something sweet.

Yamper (YAM-purr) is excited to try some Lemonade!

Look out for that lemon, Meowth (mee-OWTH)!

Yellow is a color that is cheerful and bright. That's why it's the shade of Pikachu and sunlight!

YELLOW

Leafon (LEAF-ee-on) leaps to get a better view of its pal Pikachu.

Sniff sniff! Cutiefly (KYOO-tee-fly) smells something sweet.

"Pika pika!"
Pikachu cheers.

Pikachu sees its friends down below.

It's Togepi (TOE-ghep-peel)

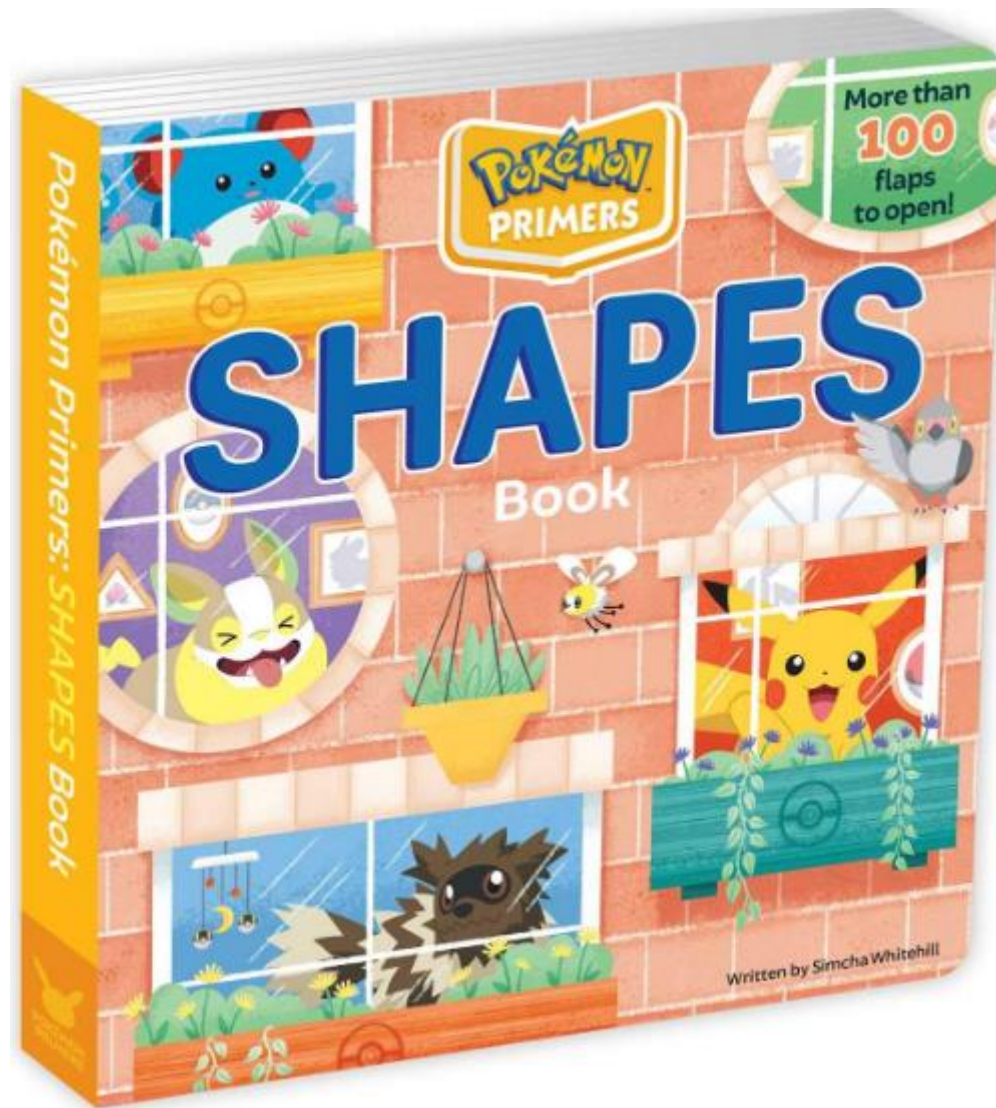

Pichu (PEE-choo) hopes to evolve into a Pikachu one day.

Ooh, it's so sour!

Yamper (YAM-purr) is excited to try some Lemonade!

Look out for that lemon, Meowth (mee-OWTH)!

All Pikachu (PEE-ka-choo) sees are sweet swirls of candy, but it knows its colorful Pokémon pals are hidden in plain sight. Help Pikachu spot the spirals and find its friends!

That is one gigantic gumball!

Politoed (PAUL-lee-TOED) has a spiral on top of its head.

Look at all those gumbdrops. Yum!

Wait, that's not ice cream...

Munchlax (MUNCH-lacks) loves candy... maybe a little too much.

Tepig (TEH-pig)

A spiral is a shape that is tightly wound. If you follow its line, it twirls around and around!

That is one gigantic gumball!

Politoed (PAUL-lee-TOED) has a spiral on top of its head.

And one on its belly too!

Tepig sure thinks they're tasty. Hopefully, it doesn't get a tummy ache!

It's the frosty Ice-type—Vanillite (vuh-NIHL-lyte)!

It's raining candy!

Zzzzz

Tepig (TEH-pig)

Yawn! Now it's taking a nap right in the store.
