First Stop: Kanto!

The Kanto region is where many adventures begin—and for good reason! Head through Viridian Forest, home to many Bug types like Caterpie and Weedle, or track down the elusive Clefairy on Mt. Moon. Fuchsia City's Safari Zone is home to rare Pokémon too, like Chansey and Kangaskhan! Wherever you go, don't forget to say hello to familiar faces like the first partner Pokémon Bulbasaur, Charmander, Squirtle, and of course, Pikachu!
