Slowpoke
(SLOW-poke)

Slowpoke wants to dive in, but it doesn't see Magikarp swimming there.

Magikarp
(MADGE-eh-karp)

Who is behind that rock?

Now you see
Vaporeon
(vay-POUR-ree-on)...

Toot toot! Froakie (FRO-kee)
hears the tugboat passing by.

Is that a shiny
blue buoy?

Totodile can't wait
to hop aboard the
party train.

Pikachu (PEE-ka-choo)
is so excited to see its pal
Totodile (Toe-toe-dyle).

RIVER

A river is where water flows free. It continues on as far as the eye can see.

Slowpoke (SLOW-poke)

just in time!

Splash!

Magikarp (MADGE-eh-karp)

Who is behind that rock?

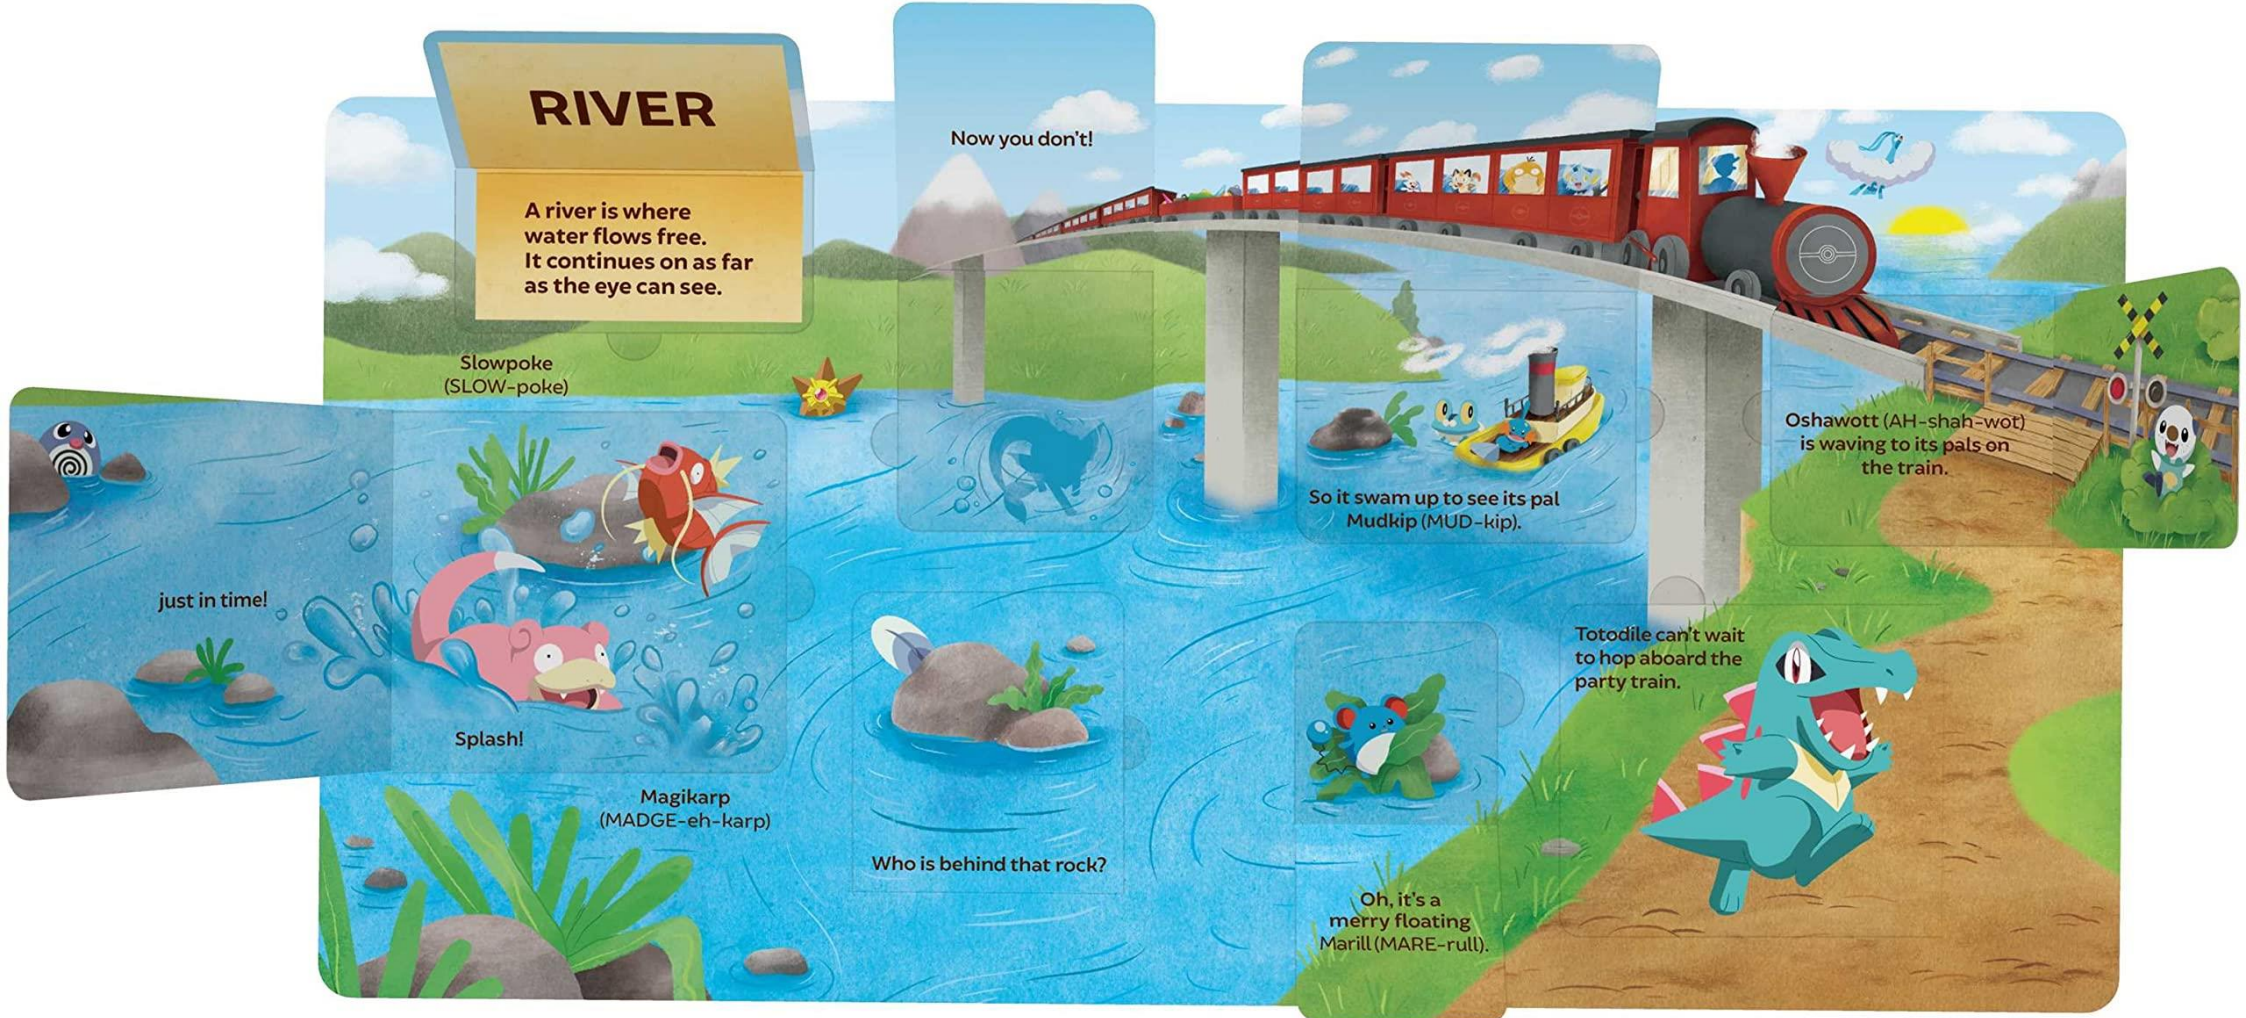

Oh, it's a merry floating Marill (MARE-rull).

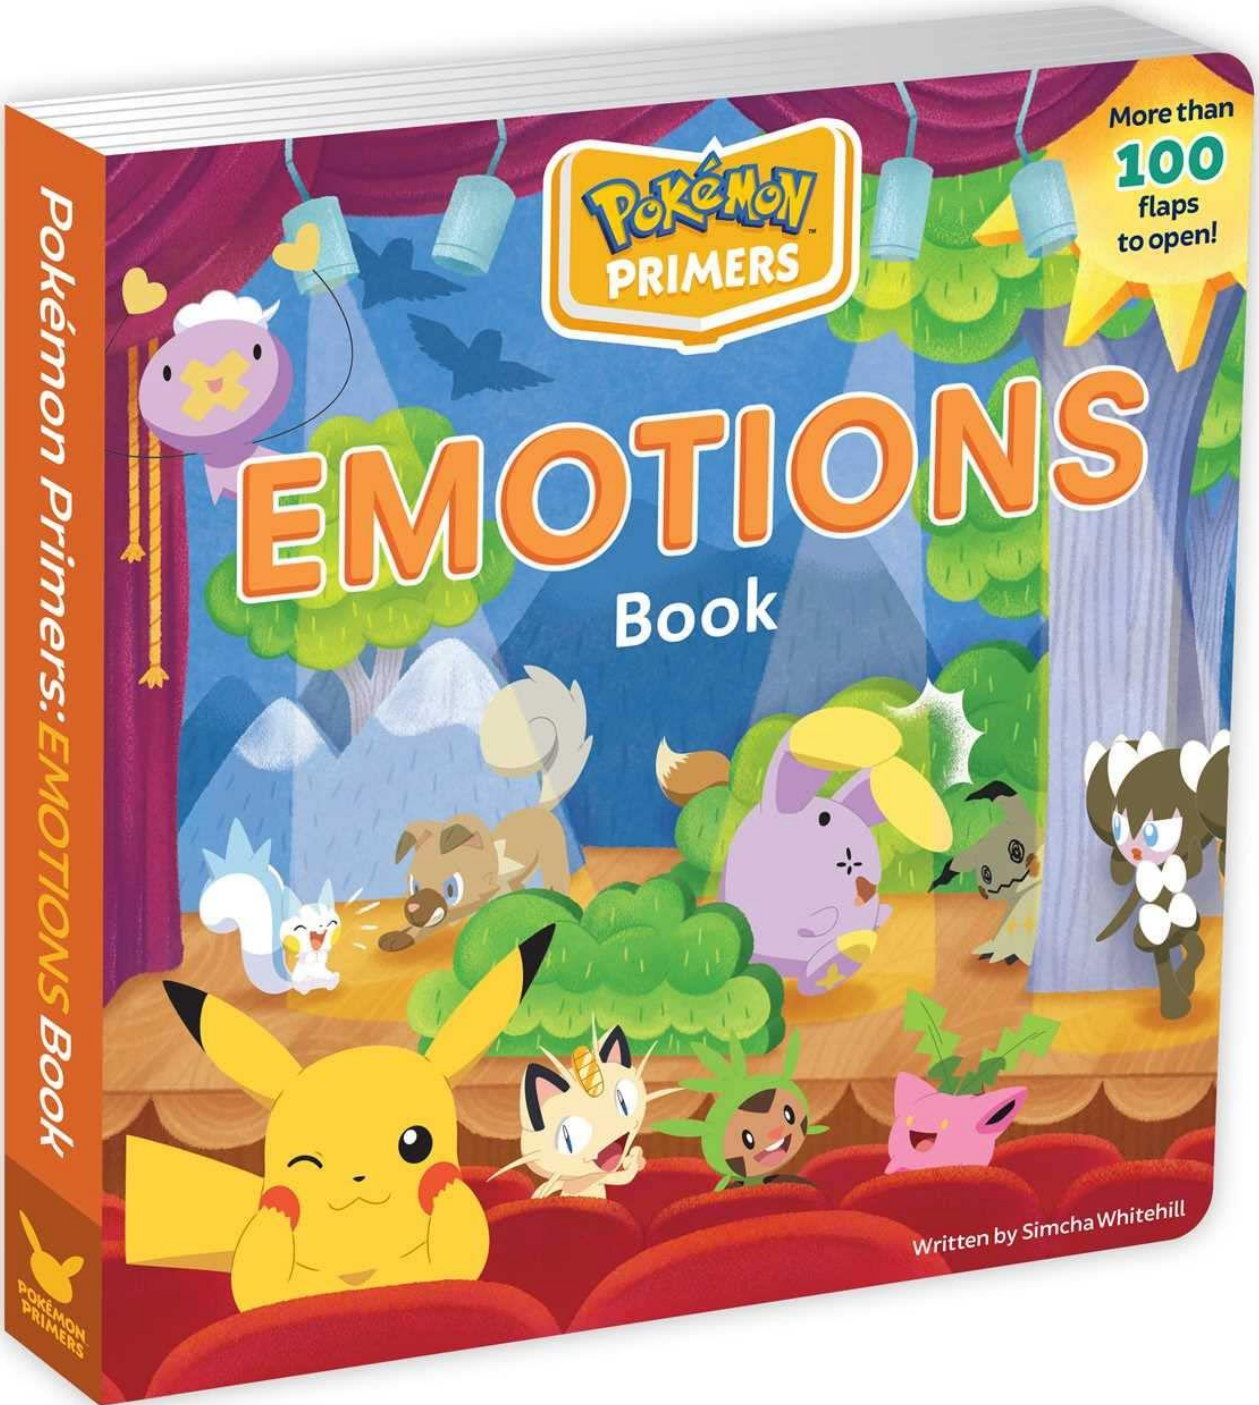

Now you don't!

So it swam up to see its pal Mudkip (MUD-kip).

Totodile can't wait to hop aboard the party train.

Oshawott (AH-shah-wot) is waving to its pals on the train.
