

NEVER touch THE

dirty diggers

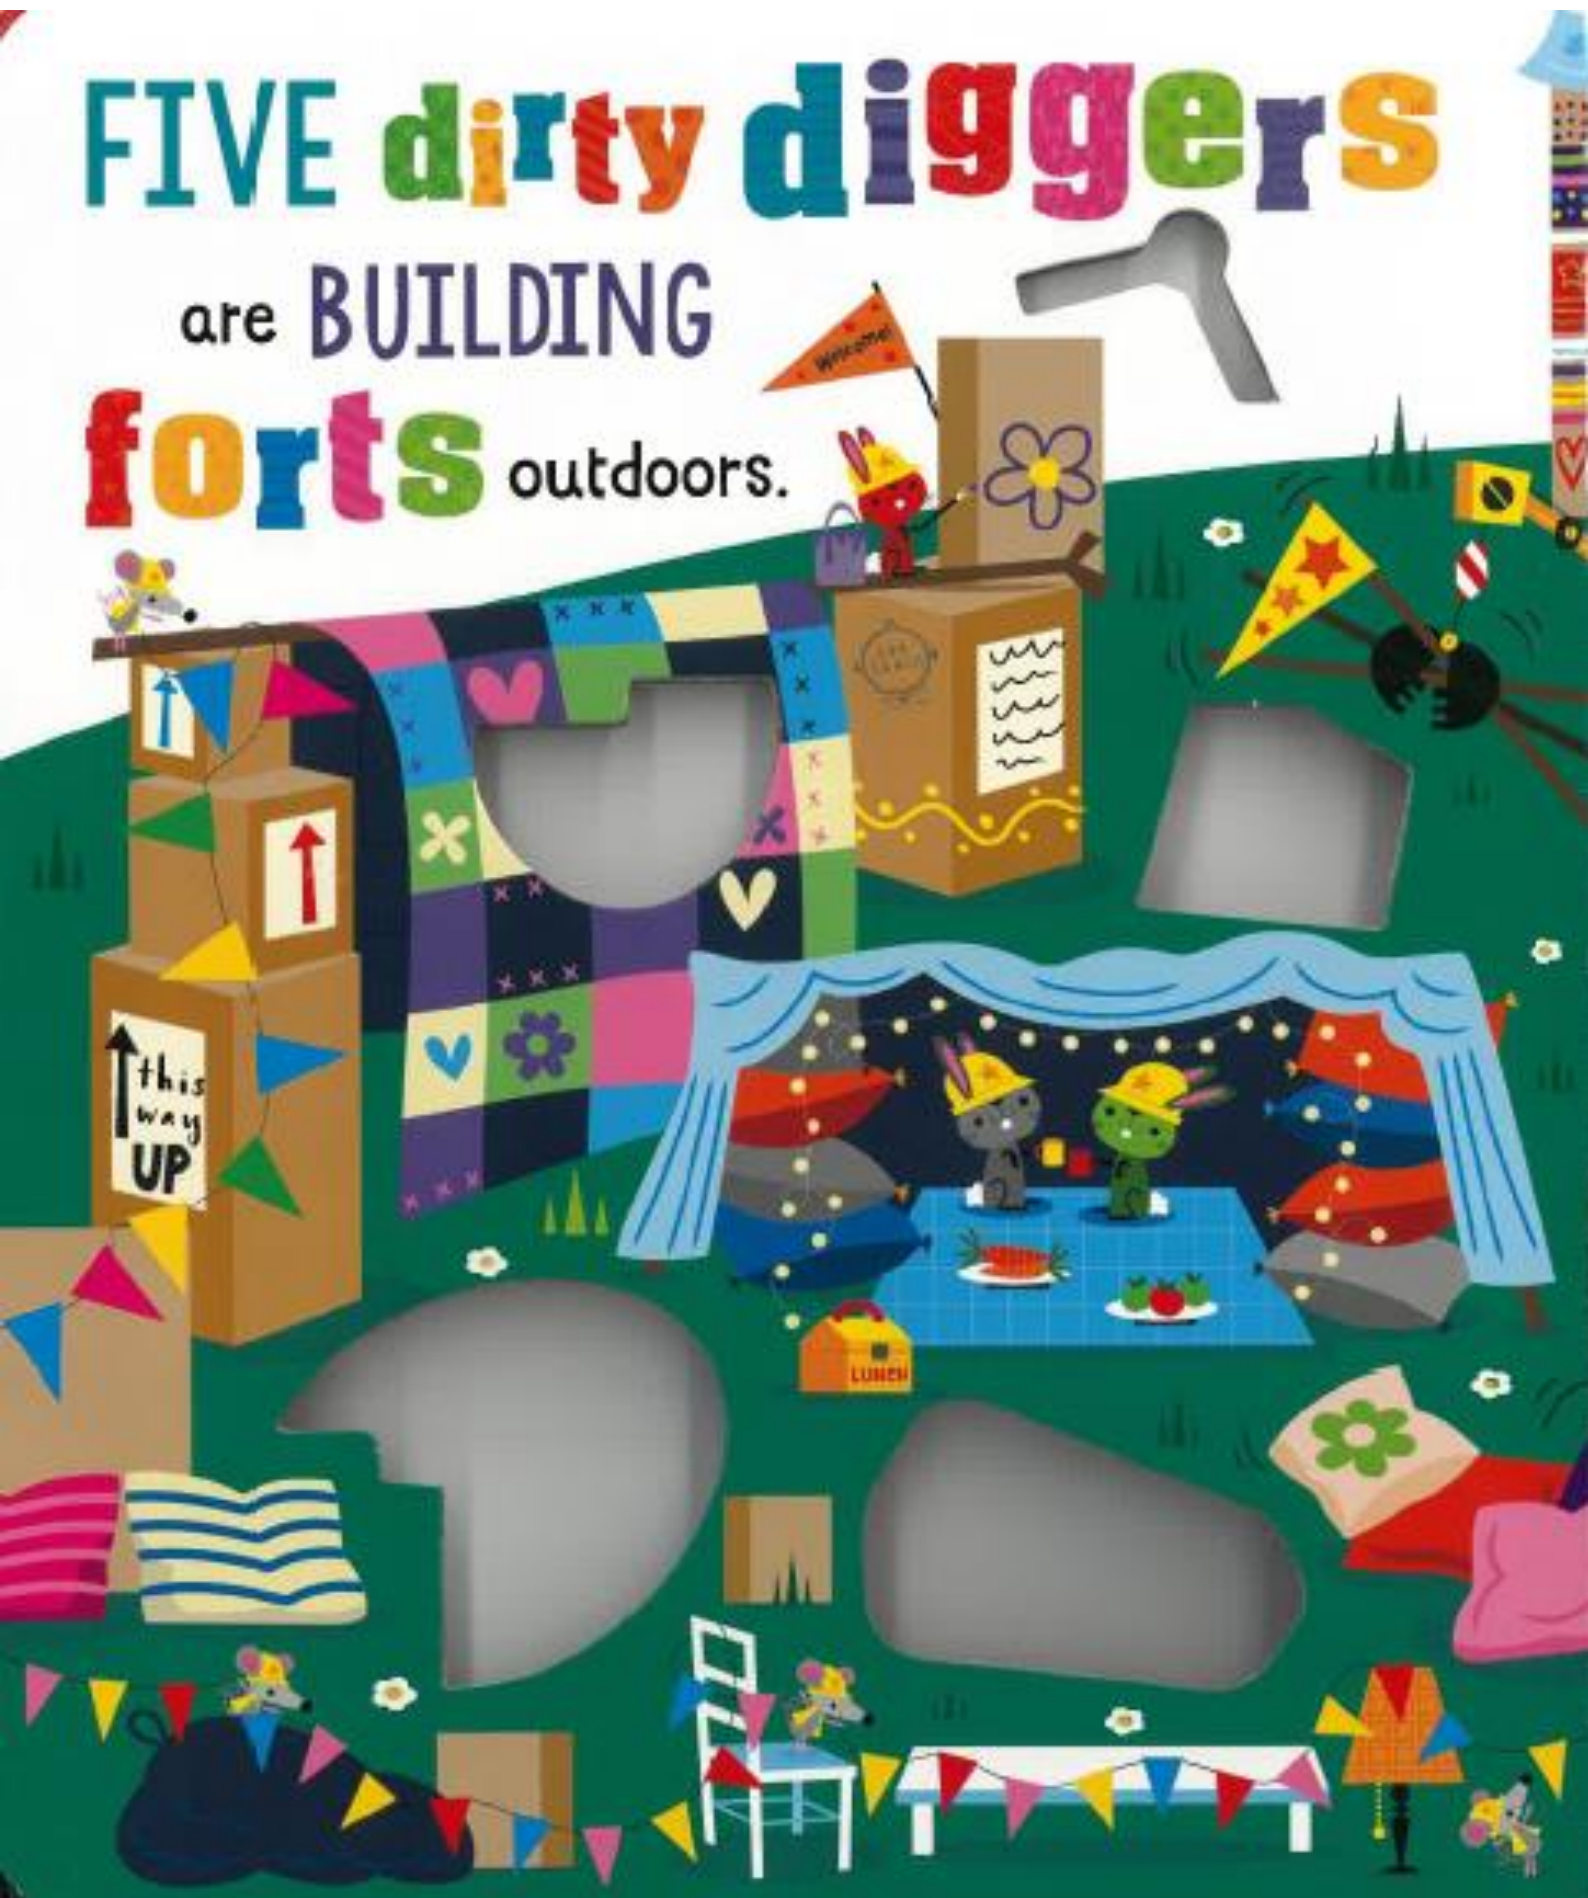

COUNT THE 5 **dirty diggers**... IF YOU DARE!

FIVE dirty diggers

are BUILDING

forts outdoors.

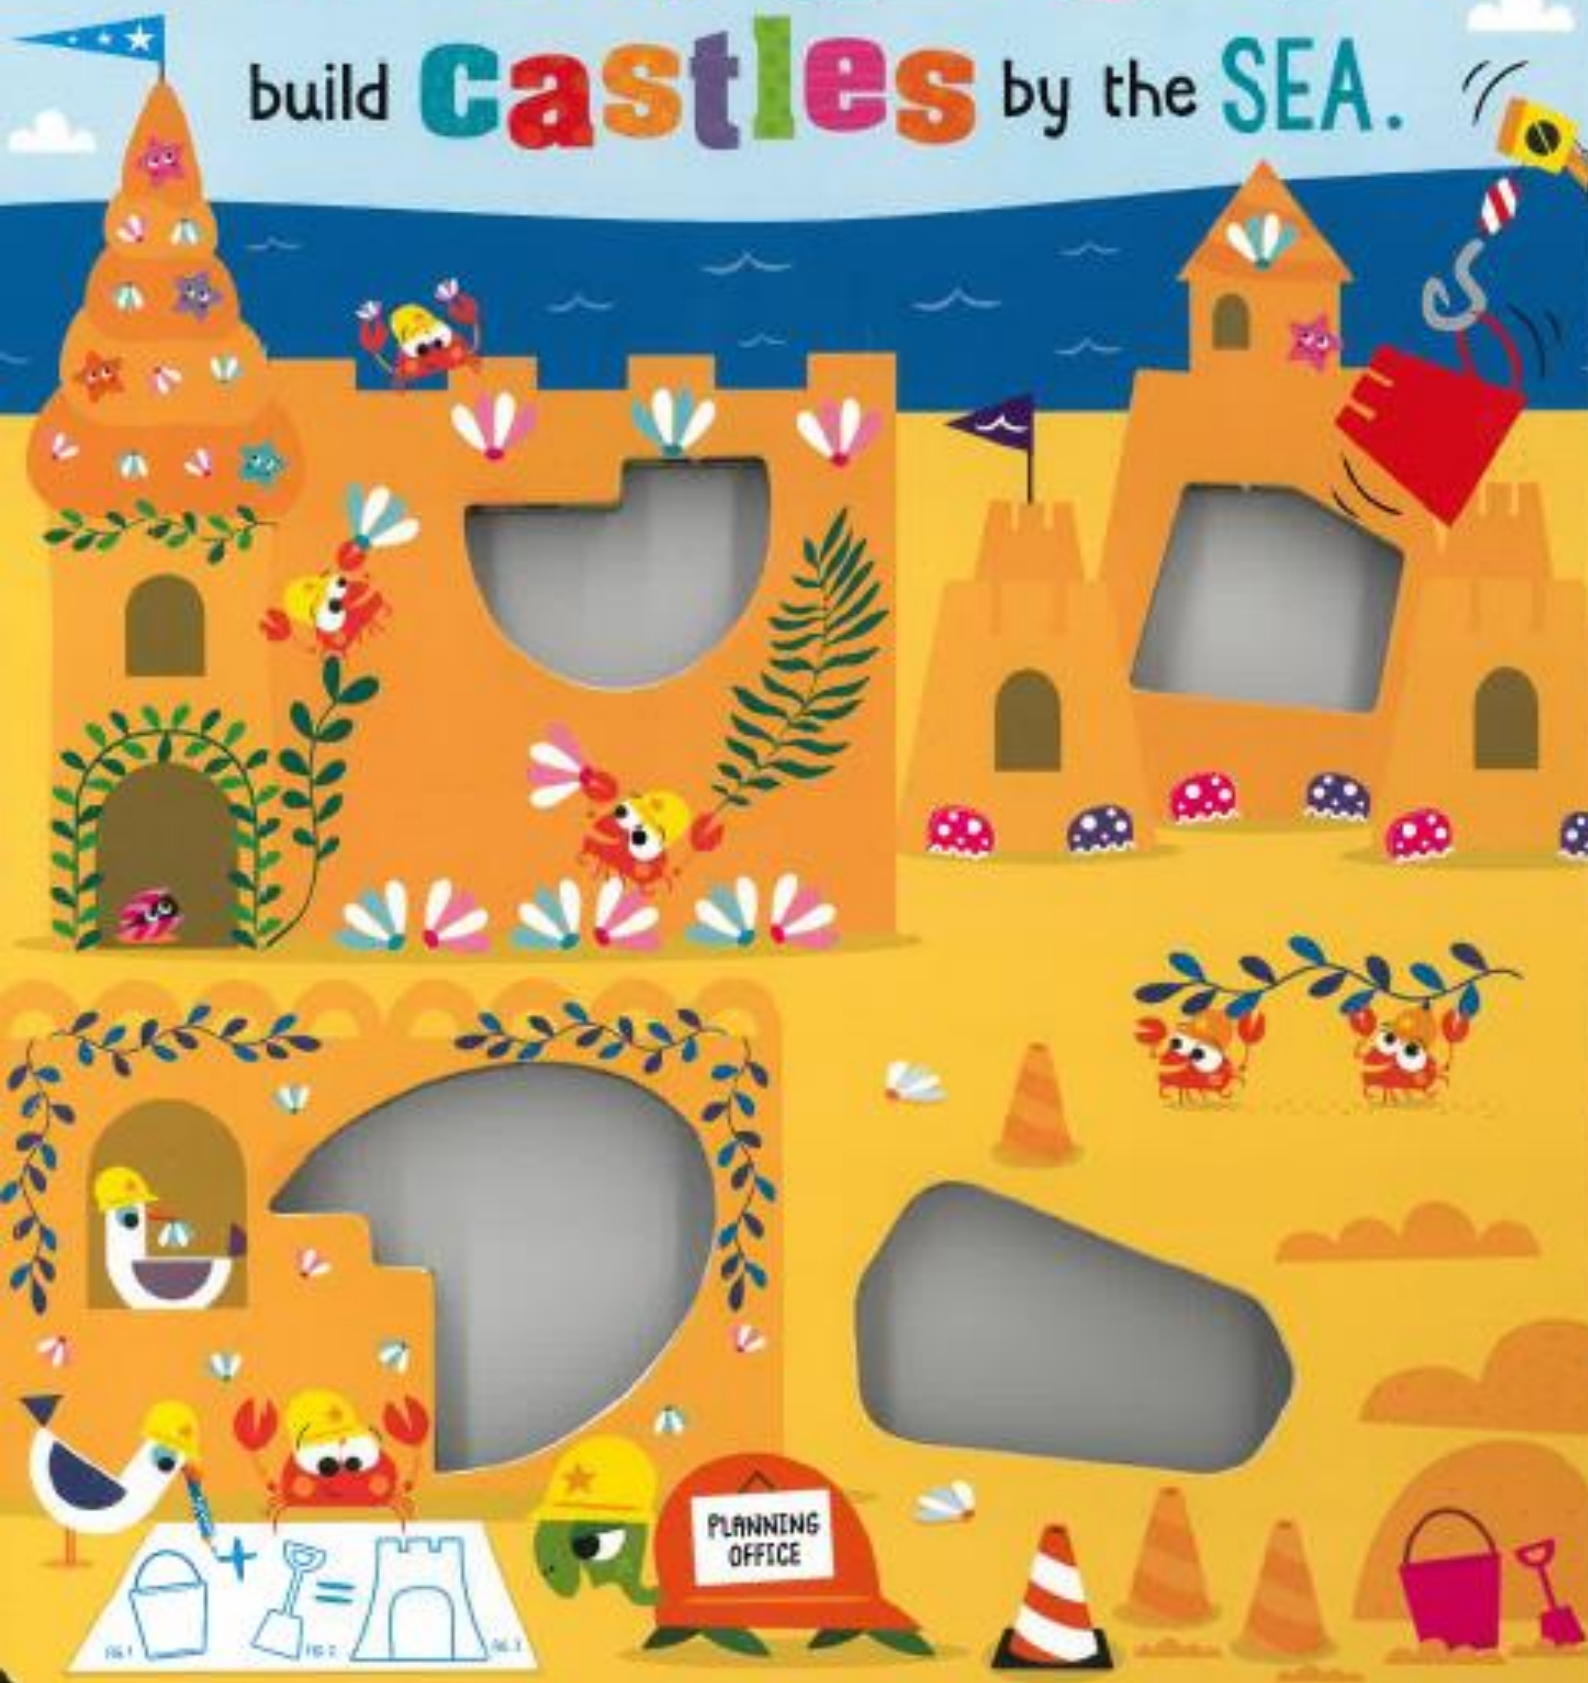

One **STAYS** back
to **DECORATE**,
so that leaves **FOUR**.

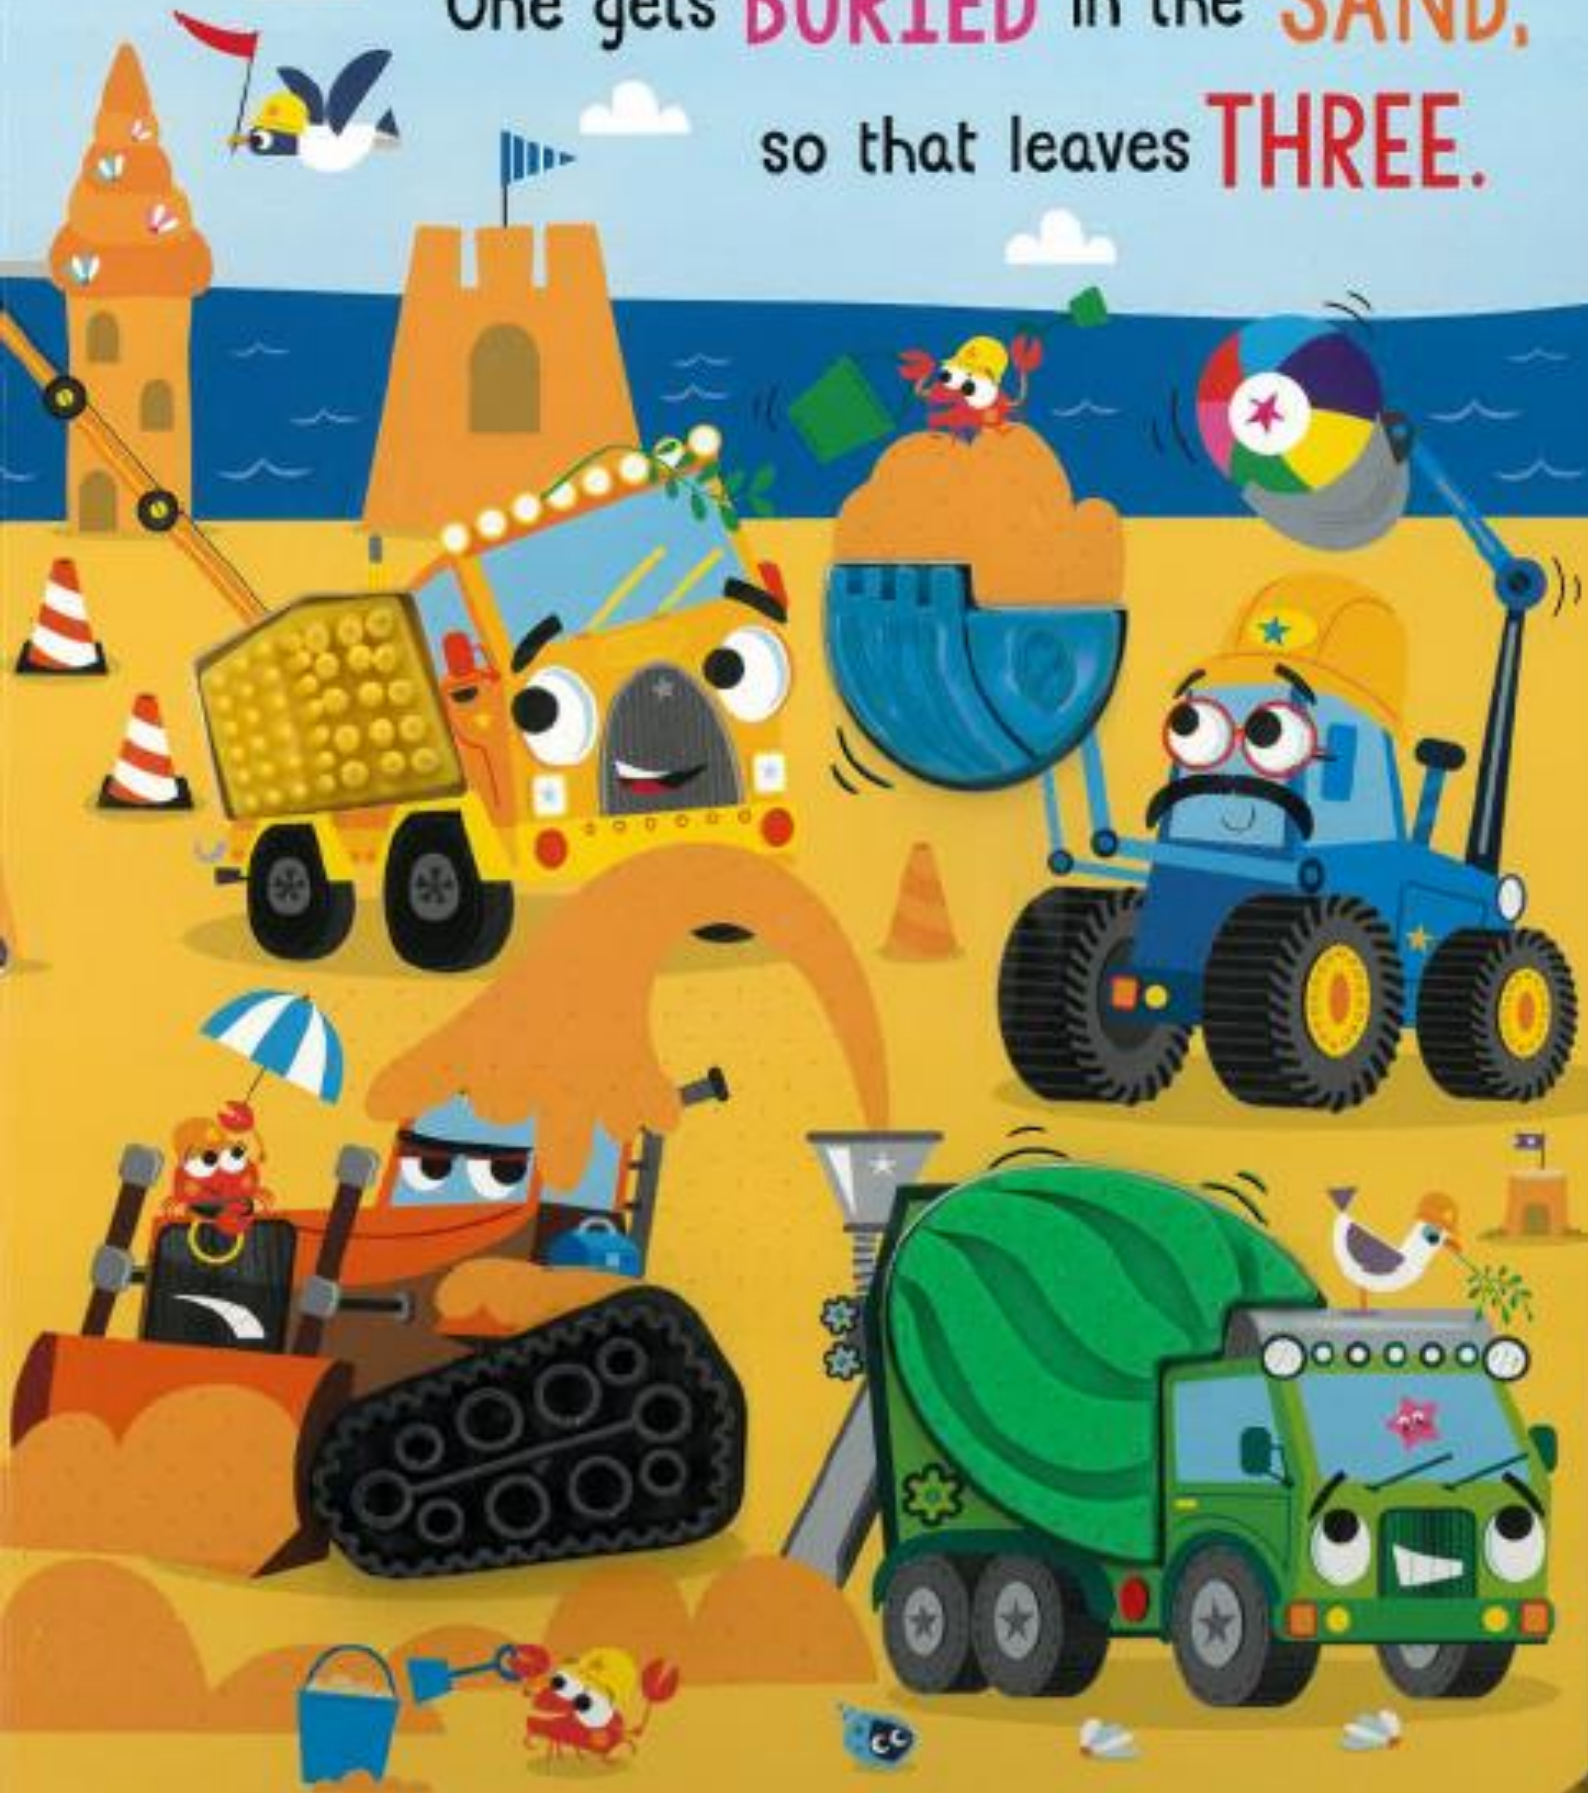

FOUR **dirty diggers**

build **castles** by the SEA.

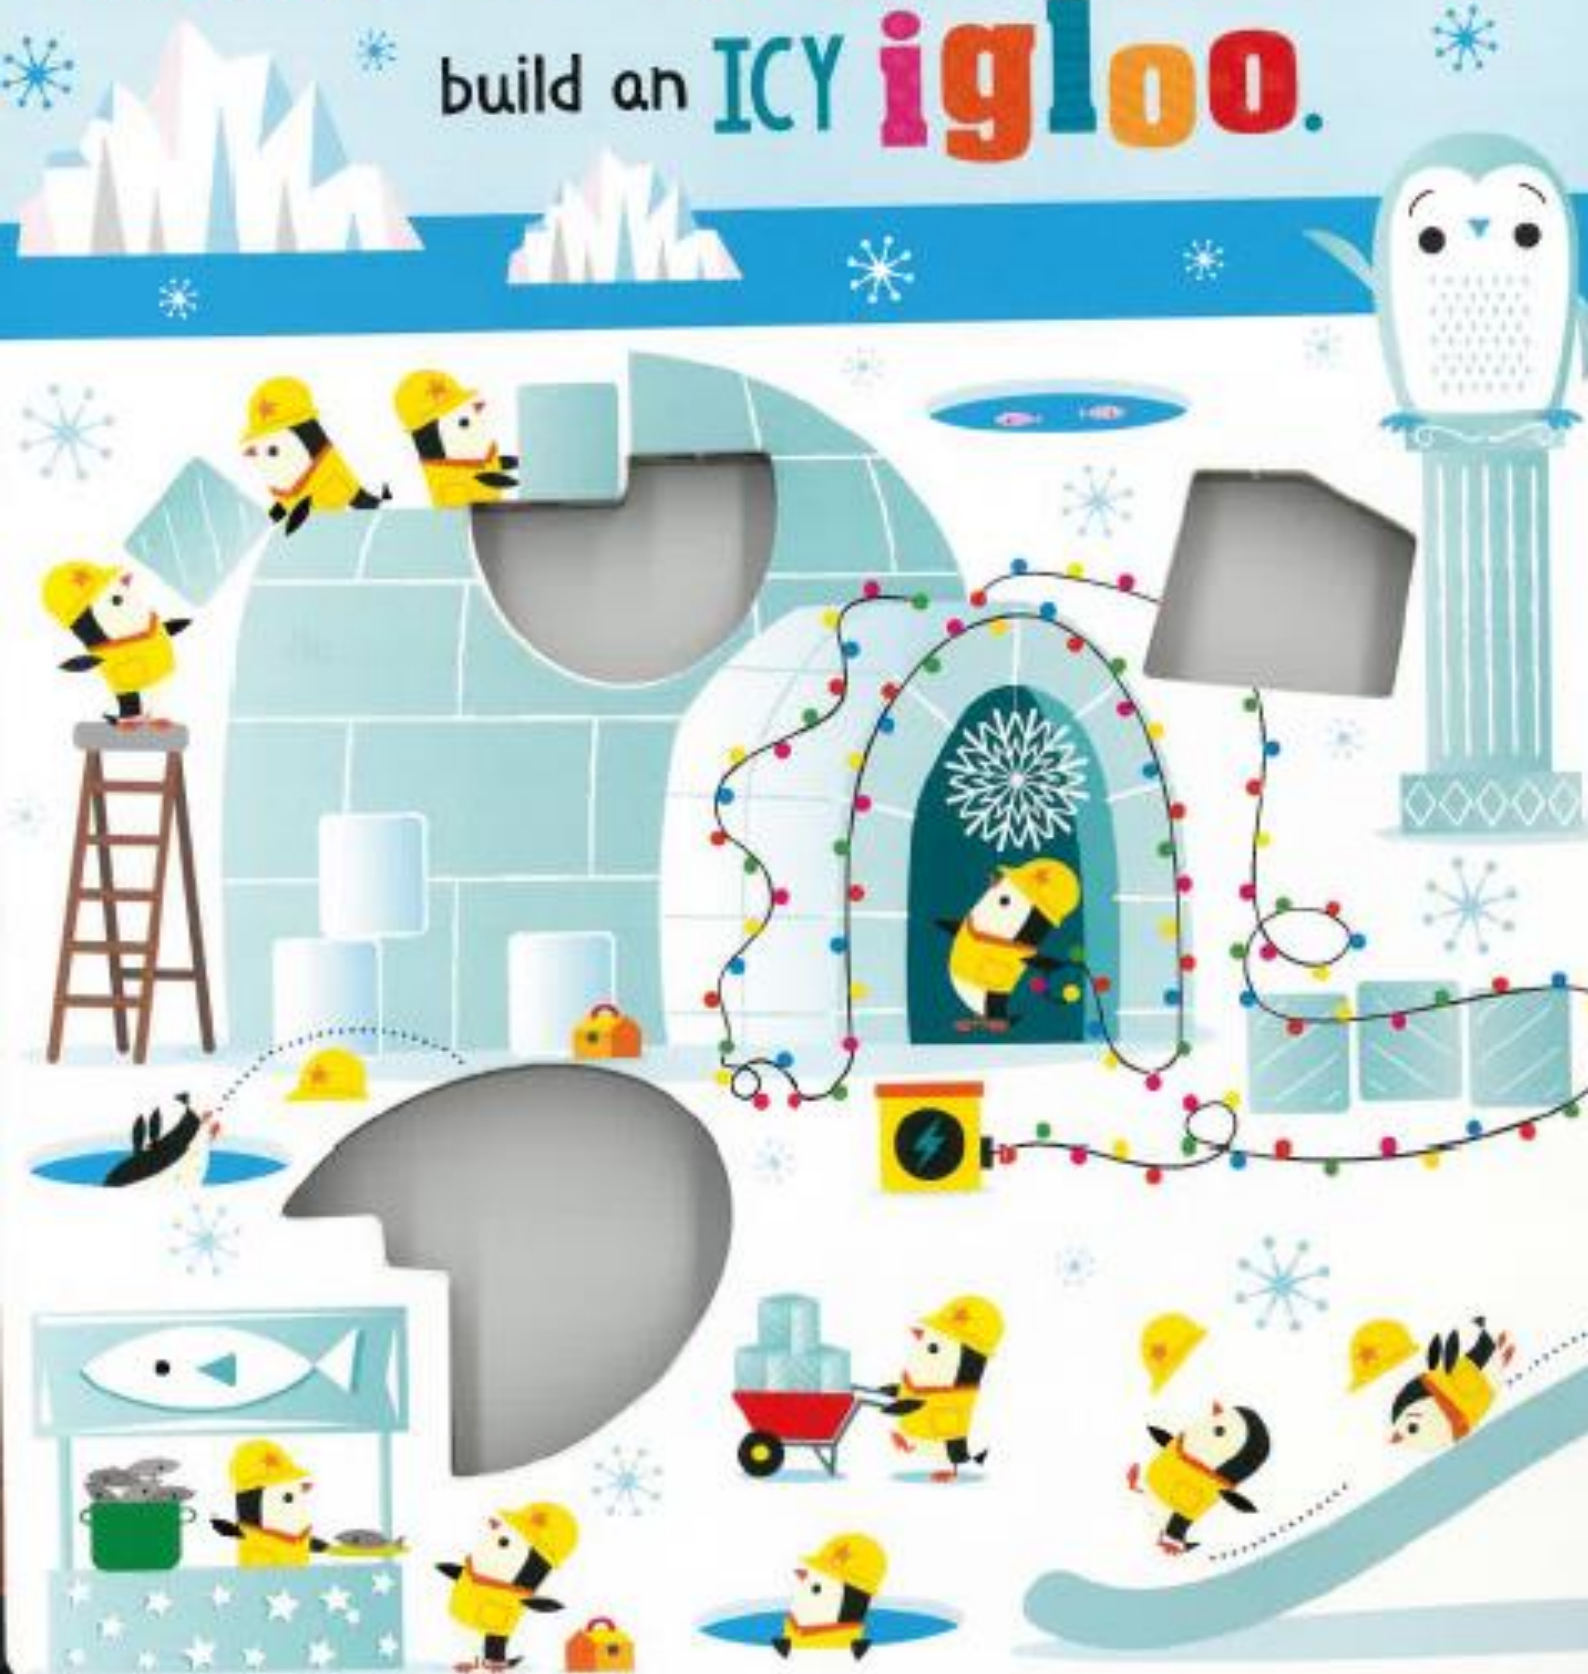

One gets **BURIED** in the **SAND**,
so that leaves **THREE**.

THREE dirty diggers

build an ICY igloo.

One gets **COLD** and **FREEZES UP**,
so that leaves **TWO**.
