Act 5 features a 2.5D play based on the hugely popular manga Tokyo Blade!! Hoping to learn more about Ai's past, Aqua agrees to join the cast. The rehearsals go smoothly until Abiko, the creator of the manga, comes to observe and abruptly demands that the entire script be rewritten, furious that her characters have been distorted. After several close discussions with GOA, the scriptwriter, she seems delighted with the revised script. However, it's a killer pass that relies heavily on the actors' skills. When Aqua is asked to put more emotion into his acting, it triggers his trauma, and he collapses!!
