Trace Lines

Trace the lines from ➜ to ➜.

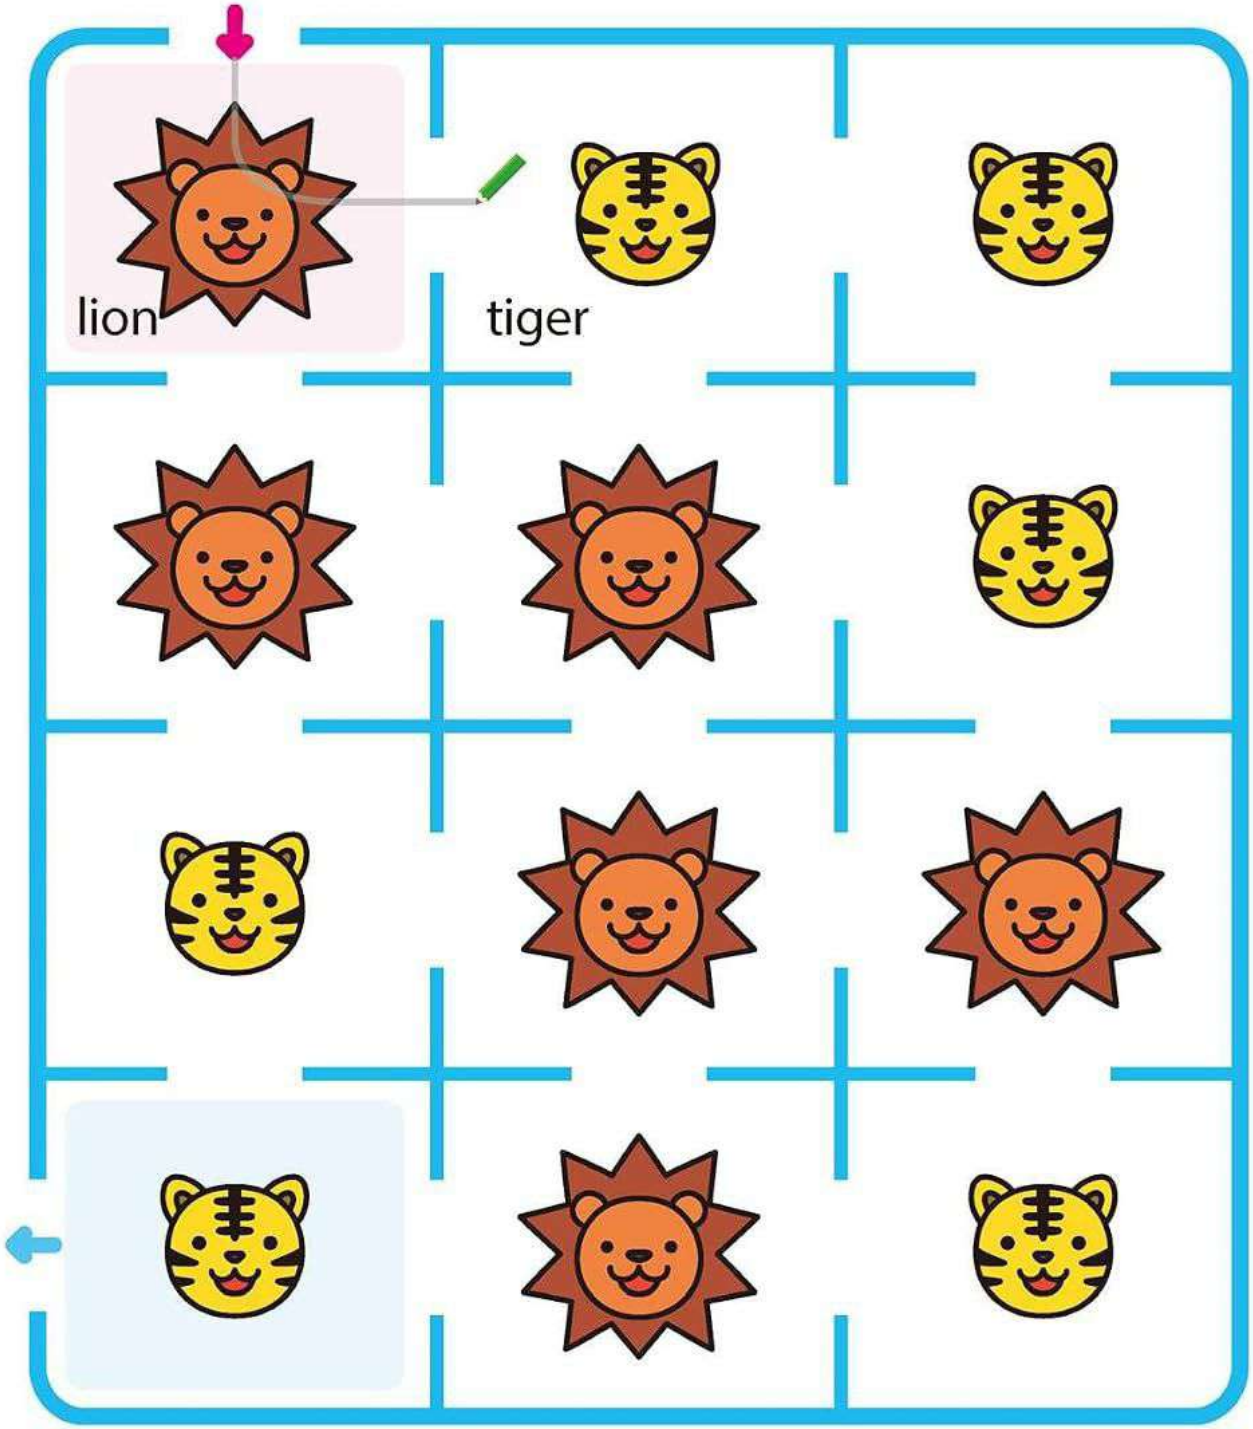

Find the Same Shapes

Look at the shape of each sea creature's body. Find the shape on the right that matches the sea creature's shape. Draw a line to connect each matching shape.

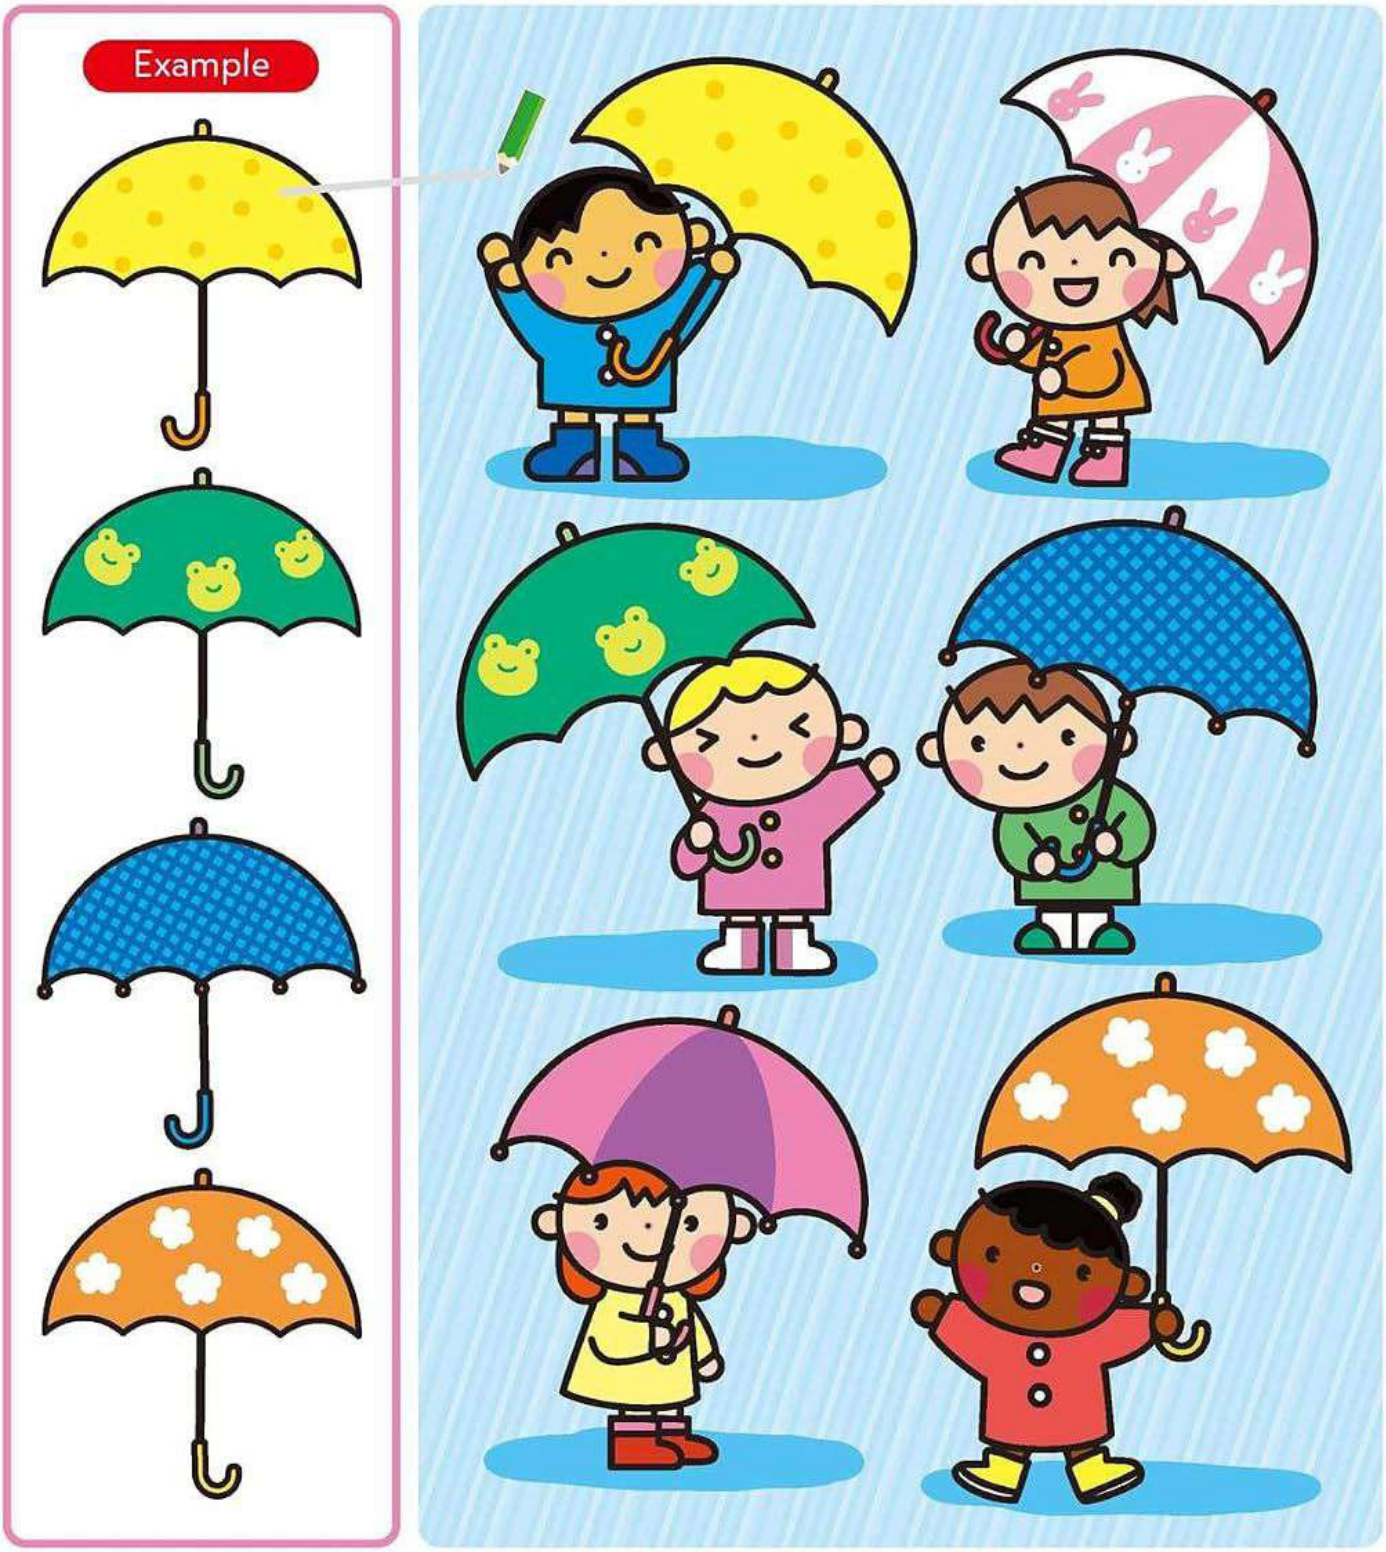

Follow the Pattern

Draw a line from ➡ to ➡ following the pattern of lion → tiger → lion.

Find the Matching Umbrellas

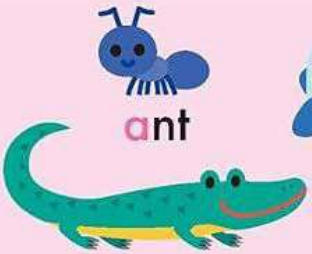

Draw a line from each umbrella in the box to its matching umbrella in the picture.

apple

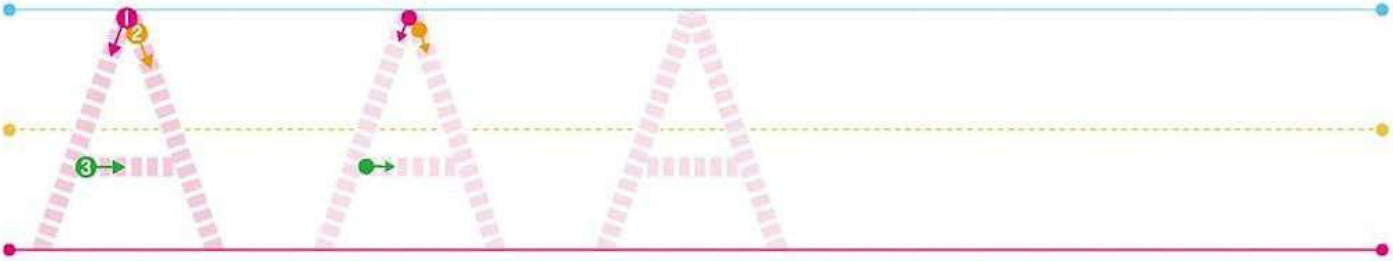

ant

alligator

airplane

Trace and write each letter.

Trace the a to complete the word.

apple

apple

Trace the a to complete the word.

ant

alligator

airplane

Trace the A and a to finish the sentence.

Animals eat apples.

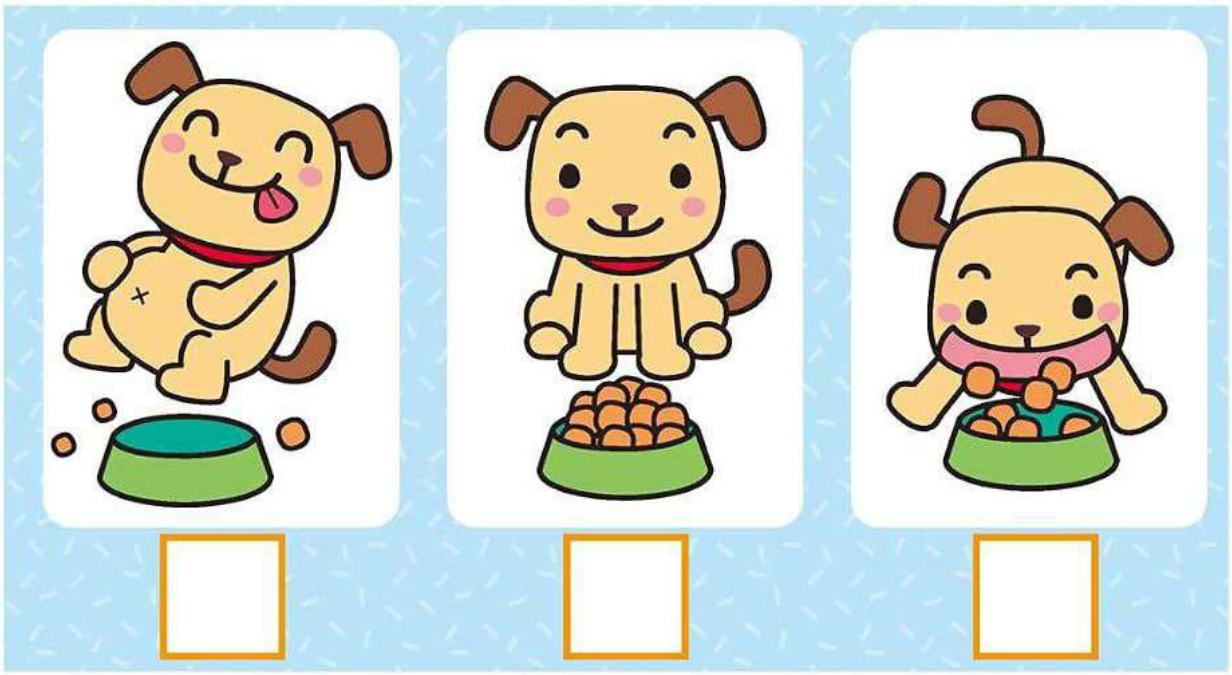

Animal Scavenger Hunt

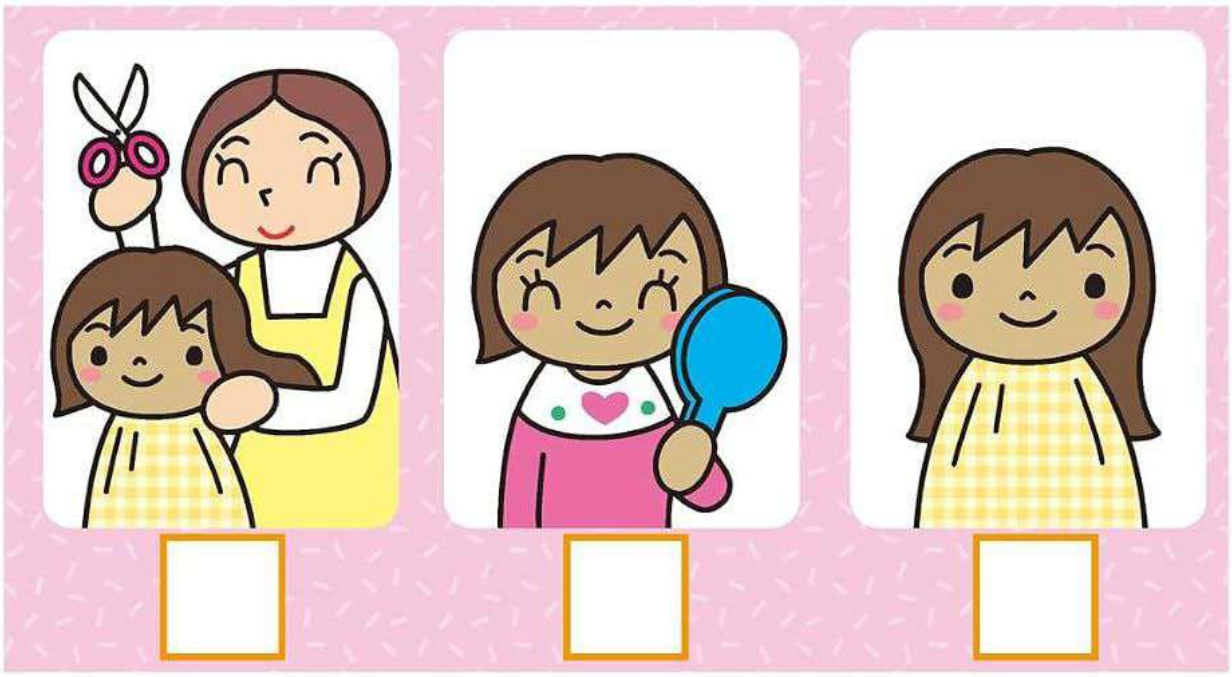

Follow the path from ➜ to ➜ going in the direction of the object with the same beginning sound as the letter.

Put Events in Order

What happens first? Write 1 in the ☐ under that picture. What happens next? Write 2 in that ☐ under that picture. What happens last? Write 3 in the ☐.

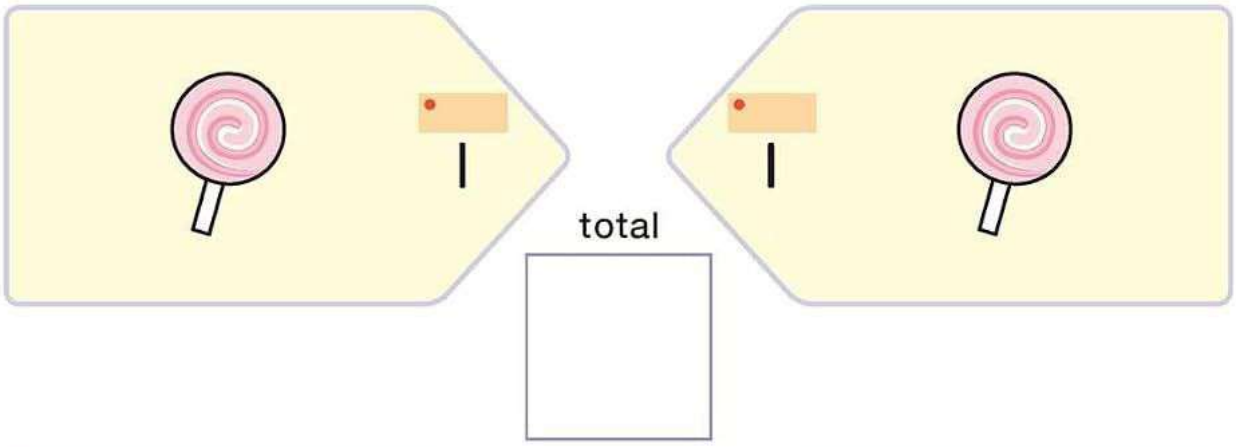

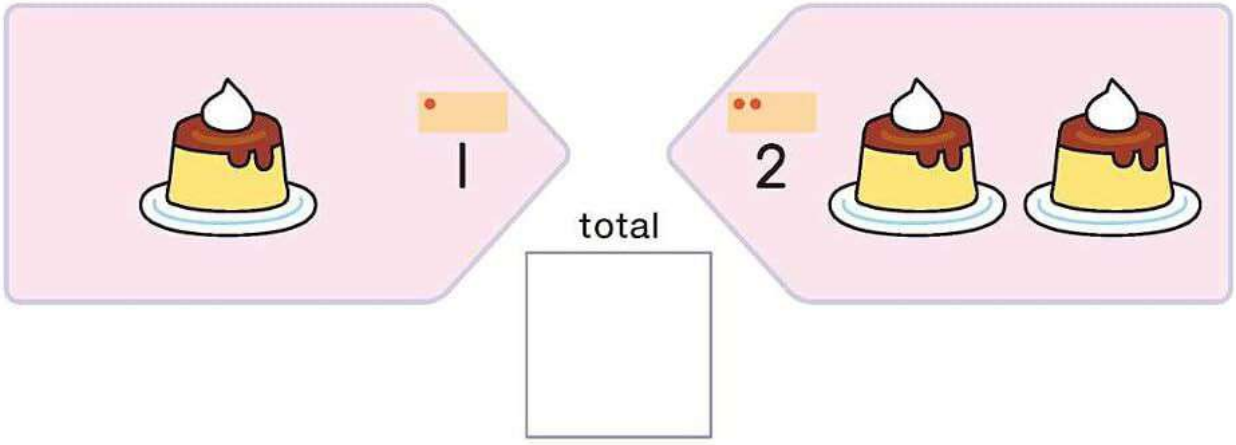

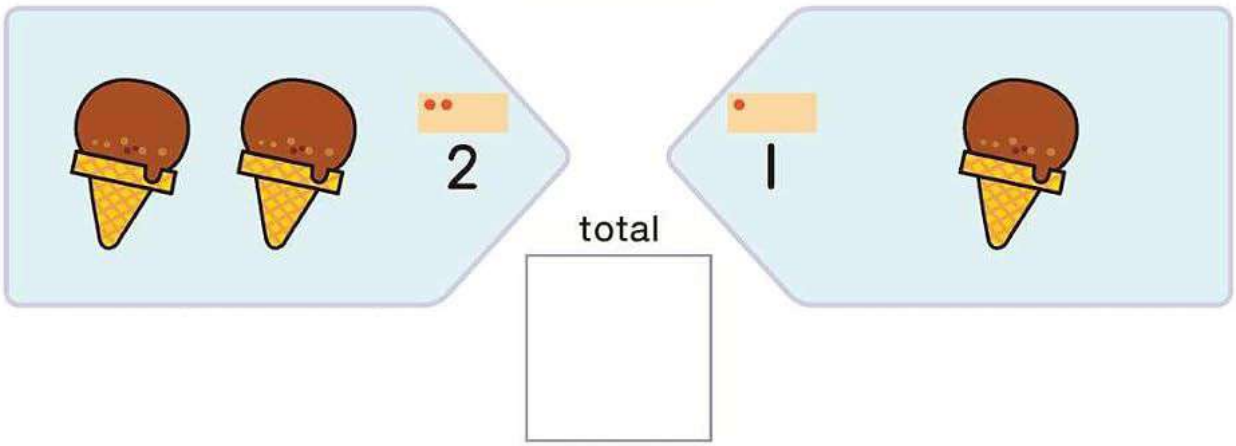

The answers are: upper: 3 → 1 → 2, lower: 2 → 3 → 1

Add the Sweet Treats

Count the objects on the left and the objects on the right.
Then, write the total number in the box.

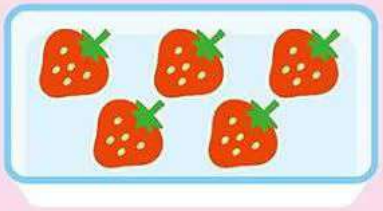

How Many Strawberries Are Left?

Count the strawberries in the pictures on the left.
Then, subtract the number of strawberries eaten by the mouse.
Write the total number of strawberries left over in the box on the right.
