# SCHOLASTIC DECODABLE READERS

A COLLECTION OF READERS THAT  
REINFORCES SEQUENTIAL DECODING SKILLS

Includes  
CD read by  
**Wiley  
Blevins**

 SCHOLASTIC

**Scholastic Decodable Readers** is a 4-level learning program which helps accelerate children's word identification skills and achieve greater mastery in early reading skills. Each level has 20 sequenced books that gradually increase in level of difficulty.

## Level C features

- Digraphs
  - Blends
  - Final e
  - Inflectional Endings
  - Long Vowels
  - Variant Vowels
  - Diphthongs
- ★ Introduces long vowels and intermediate blends.
  - ★ Help children learn to decode words in connected text.
  - ★ Introduces longer sentences with sentence connectors, which help children build fluency and reading stamina.

**Wiley Blevins** is an early reading specialist. He graduated from Harvard and has written numerous reading programs and books for teachers. Wiley has conducted educational research on topics such as phonics, fluency, and using decodable text.

Peg must kick it in.  
BAM! SWISH! PLUNK!  
Yes! The Ducks win!

The Cubs and Ducks had fun!

So Chuck shops for Chick's lunch.  
He gets bags of seeds. And for  
himself, Chuck gets cheese.

But this trip, Chuck's shop did not  
get Chick's seeds in!

Chuck gets bunches of grapes,  
instead. Will Chick like grapes  
for lunch?
